No. HSG-6460-HAR of 1961

Bombay, 31st October 1961.

From

Dr. A. N. deQuadros, M.B.B.S. (Bom.), D.P.H. (London), F.R.C.S. (Eng.), Surgeon-General with the Government of Maharashtra, Bombay-1.

To

The Secretary to Government,
Urban Development and Public Health Department,
Sachivalaya, Bombay-32.

Subject.—Report on the Civil Hospitals and Dispensaries in the State of Maharashtra during the year 1960.

Herewith is submitted for the information of Government the Administration Report of the Civil Hospitals and Dispensaries in the State of Maharashtra for the year 1960.

GENERAL

The year under report witnessed the bifurcation of the former bilingual Bombay State into the States of Maharashtra and Gujarat with effect from 1st May 1960. The following are some of the major developments at the various Medical Institutions in the State.

IMPROVEMENTS TO HOSPITALS AND DISPENSARIES (CITY AND MOFUSSIL)

The new J. J. Hospital building was being completed during the year; It was planned to have it commissioned on 1st May 1961, the day of inauguration of Maharashtra State. The bed strength of the Hospital would thereby be increased from 774 to 1,426.

Government accorded sanction to the expenditure of Rs. 6,600 for the establishment of a Diabetic and Follow-up Centre at J. J. Hospital (*vide* G. R., U. D. and P. H. D., No. JJH-1060-43175, dated 28th July 1960).

Cama and Albless Hospitals, Bombay

Government (*vide* G. R. No. HSP-1460-B, dated 26th September 1960) have sanctioned funds for the purchase of an Ambulance car for the Cama and Albless Hospitals, Bombay. The Ambulance was accordingly purchased on 24th April 1961.

MOFUSSIL HOSPITALS

Thana District

1. Administrative approval was accorded by Government to the plans and estimates for the work of removal and remodelling of the electric installation in the Medical Hospital at Ulhasnagar, Kalyan Camp, at a cost of Rs. 1,200 during the year under report.

2. Administrative approval was also accorded to the plans and estimates, the latter amounting to Rs. 19,236, for carrying out minor repairs in the main ward of Barrack No. 2 at the Central Hospital, Ulhasnagar, Camp No. 3, in order to have a full size operation theatre, sterilising room and an instrument cabinet room for the Hospital.

3. An amount of Rs. 30,000 from the Hospital Maintenance Fund was placed at the disposal of the Deputy Director of Medical Services, Bombay, for purchase of instruments and appliances for the operation theatre at the Central Hospital, U. S. T. No. 3.

Dhulia District

1. An expenditure of Rs. 1,560 was sanctioned for purchase of six steel cupboards for the Civil Hospital, Dhulia, and Rs. 2,000 for the purchase of a Calorimeter.

2. Administrative approval to the plans and estimates, latter amounting to Rs. 28,975, was accorded for the construction of a special ward for Tetanus patients at Civil Hospital, Dhulia.

Ratnagiri District

A Government Dispensary at Jawlethar was opened during the year under report.

Nasik District

A Government Dispensary at Bolthan was sanctioned.

Jalgaon District

A new X-Ray Machine costing Rs. 48,802 was sanctioned for the Civil Hospital, Jalgaon.

Administrative approval was accorded to the plans and estimates amounting to Rs. 36,688 for construction of a compound wall for the Civil Hospital, Jalgaon.

Poona Division

Poona District

The following steel furniture and articles, etc., was sanctioned for the Sassoon Hospitals, Poona :—

		Number
1.	All steel bed-steads	100
2.	Steel bedside lockers for the wards	100
3.	Stretchers on Trolleys for patients	10
4.	Godrej cupboards	10
5.	Wooden Racks	12

Three microscopes at a cost of Rs. 4,500 for the Hospital for Diseases of Chest, Camp Aundh, Poona, were purchased.

Equipment worth Rs. 50,000 was sanctioned for the new operation theatre at the Sassoon Hospitals, Poona.

Ahmednagar District

A High Pressure Sterilizer, Boyles Apparatus, Plastering and Operation Table at a total cost of Rs. 12,000 was sanctioned for the Civil Hospital, Ahmednagar.

Kolhapur District

Administrative approval was accorded to the plans and estimates, latter amounting to Rs. 18,461, for additions and alterations to the Dharmashala building at Bombayade in Shahuwadi Taluka of Kolhapur District which was proposed to be converted into a dispensary.

South Satara District

Administrative approval was also accorded to the plans and estimates, latter amounting to Rs. 1,261, for providing additions to the electric installation in the Civil Hospital, Sangli (providing service connection and control gear for X-Ray Plant).

Nagpur Division

(i) Taking over charge of R. P. Uttarwar Hospital

One Shri R. P. Uttarwar donated the handsome amount of Rs. 50,000 and 10 acres of land for the construction of a Municipal Hospital at Umarkhed in Yeotmal District. The hospital was named after the donor. After the construction of the building the Municipal Committee handed over the building and the staff, etc., to Government for its maintenance in view of its poor finances. Thus Government has taken over charge of the Hospital from December 1960.

(ii) Opening of six new Allopathic Dispensaries in Vidarbha Region

In order to extend the benefit of medical relief to the rural areas in the Vidarbha Region, the former Government of Madhya Pradesh used to sanction financial assistance to the Janapad Sabhas for opening Allopathic dispensaries. The former Bombay State also continued the same policy and sanctioned financial assistance to the Janapad Sabhas for opening six Allopathic dispensaries. The assistance consisted in (1) lending the services of Medical Officer, (2) annual maintenance grant of Rs. 500 and (3) grants towards the expenditure incurred by the Janapad Sabha on the construction of the dispensary building. The location of these six dispensaries is as under :—

1. Lakhani, District Bhandara.
2. Andori, District Wardha.
3. Ankisa, District Chanda.
4. Pusla, District Amravati.
5. Jaulka, District Akola.
6. Patansaongi, District Nagpur.

(iii) Transfer of Local Fund Allopathic Dispensary of Dhaba to Janapad Sabha, Chanda

The Allopathic dispensary at Dhaba was being managed by the Dispensary Fund Committee, Dhaba. The financial position of the Dispensary Fund Committee was not satisfactory. Government therefore accepted the transfer of the management of the dispensary to Janapad Sabha, Chanda, and continued the annual grant of Rs. 500 to the dispensary.

(iv) Experimental Surgery Unit at Medical College and Hospital, Nagpur

Government accepted the proposal of the Dean, Medical College and Hospital, Nagpur, regarding the establishment of an 'Experimental Surgery Unit, at the Medical College and Hospital, Nagpur.

(By G. R. No. MCN (M)-2558-Q, dated 9th June 1960) Government have sanctioned the opening of a Physiotherapy Training School at Nagpur.

MOBILE DISPENSARIES

Out of 7 Mobile Dispensaries and 2 Static Dispensaries proposed during the Second Five-Year Plan, one Static Dispensary at Dapchari and one Mobile Dispensary at Kasa started functioning from 2nd August 1960 and 9th March 1960, respectively, *i.e.*, during the year under report.

The mobile dispensaries specially those proposed during Second Five-Year Plan were extended to serve the people in the Backward areas of the

interior part of the District where there are no medical facilities available and also where there are no easy means of communications.

The Medical Officers with his staff visit the fixed places selected in consultation with the local revenue authorities on a fixed day of the week and render treatment to patients and direct serious cases to the nearest Hospital.

HOSPITAL MAINTENANCE FUND

An aggregate amount of Rs. 1,48,146·41 nP. was utilized from this Fund during the year under report for the maintenance of Hospital facilities at the Government Hospitals in Bombay City by supplementing the Diet, Medicines and Equipments grants, providing amenities to the patients and maintaining some beds for the comforts of the patients.

ADVISORY COMMITTEE

At all Government Hospitals having 20 beds or more, there is an Advisory Committee. The Civil Surgeon or the Medical Officer I/c of the Hospital is the Chairman of the Committee. There are usually 6 members on the Advisory Committees excluding the Civil Surgeon or the Medical Officer in-charge. Out of these members, two are usually ladies, one from a backward community and one from the general public. One representative of the District Local Board or Janapad Sabha and one representative of the Municipality is nominated from the local body concerned, one representative of the local branch of the Indian Medical Association and one representative of the local branch of the District Red Cross Organisation. For constituting the Advisory Committee, the names are recommended by the respective Civil Surgeons and sanction is accorded by the Surgeon-General after obtaining the approval of Government. The tenure of the appointment of these members is two years from the date of appointment unless it is considered necessary to dissolve it earlier. A meeting of the Advisory Committee is usually held twice every quarter but it can be held more often if the members so desire.

These Committees continue to do useful work in advising the Medical Officers I/c of the Institutions for improvements, facilities, etc., for the patients. Complaint books have been maintained at all the Hospitals and diispensaries and the Medical Officers have been instructed to take prompt action regarding complaints/suggestions made by patients and/or the public. The complaints are also placed before the members of the Advisory Committee in their periodical meetings for consideration and a report is submitted to Government by the Surgeon-General every quarter showing the action taken.

ANTI-RABIC CENTRES

There were 290 Anti-Rabic Centres functioning during the year 1960. Of these 23 Anti-Rabic Centres were opened a new (*i.e.*, 4 in Maharashtra and 19 in Gujarat). The Anti-Rabic Treatment Centres were functioning satisfactorily throughout the year.

There is also a proposal for extending the Anti-Rabic Treatment to Tahsil places and the matter is under consideration.

Development of Hot Springs in the State

The work at the following Hot Springs selected by the Special Committee for the development of hot springs was in progress during the year under report:—

1. Development of hot springs at Vajreshwari and Akloli in Thana District.
2. Development of hot springs at Tarool, Taluka Sangameshwar, and Unhale, Taluka Rajapur, in Ratnagiri District.
3. Development of hot springs at Unpadeo in Jalgaon District.
4. Development of hot springs at Unhere at Sudhagad in Kolaba District.

An expenditure of Rs. 1,30,450 was incurred up to the end of December 1960 in connection with the construction of a Hydrotherapy and Thermal Centre with staff quarters at Akloli, Vajreshwari. The up-to-date progress of the work for the year 1960 is "B. B. Masonry for all the structures have reached the lintel level".

Hot Springs at Vajreshwari

Shri Nityanand Swami Trust has offered a piece of land to prepare bathrooms for males and females and the matter is being actively pursued.

Countess of Dufferin Fund

The Hon. Secretary and Treasurer, Countess of Dufferin Fund, Bombay Provincial Branch, Bombay, sanctioned in November 1960 an amount of Rs. 4,600 available with the Fund for distribution to Auxiliary Nurse-Midwives Training Schools attached to Government Hospitals. The above amount was sanctioned for providing recreational amenities for student-midwives accordingly among the deserving Hospitals in the Maharashtra State.

7

MEDICAL EDUCATION

Admission

In the beginning of the academic year 1960 there were 420 seats in the Government Medical Colleges in Maharashtra State. With the bifurcation of the bilingual Bombay State, 220 seats available at the Medical Colleges at Ahmedabad, Baroda and Jamnagar went over to the Gujarat State.

The facilities to appear for the pre-medical test examination of M. S. University of Baroda which were available till 1959 to the students of the Universities in Maharashtra were thus withdrawn, consequent on the bifurcation.

This loss was partially compensated when the Government of Maharashtra increased the seats at the B. J. Medical College, Poona, Medical College, Nagpur, and Medical College, Aurangabad, by 90, *viz.*, B. J. Medical College, Poona, 50; Medical College, Nagpur, 30; and Medical College, Aurangabad, 10. Besides 30 seats at the Medical College, Nagpur, which were reserved for the students of Maha-Kaushal area of Madhya Pradesh State till 1959 were released and they were made available for the students of Universities in Maharashtra area. Thus 120 extra seats were made available to students of the Universities in Maharashtra State during the year.

In order to encourage lady students belonging to Scheduled Castes and Scheduled Tribes to take Medicine as a career, Government reserved 1/5th of the reserved seats of Scheduled Castes/Scheduled Tribes at Government Medical Colleges for lady students belonging to scheduled Castes/Scheduled Tribes.

2. In the year 1960, the Medical College, Aurangabad, was affiliated to Marathwada University for the teaching of 2nd and 3rd M.B.B.S. Course. All pre-clinical and clinical departments required for this purpose were started with adequate staff and equipment. The practice of sending students to the Medical College, Nagpur, for clinical instruction was discontinued from 1960.

3. The first batch of students who passed the final M.B.B.S. Examination of Poona University under the new rules were given facilities for post-examination training (internees) at the various recognised Civil Hospitals, Thana, Dhulia, Sangli, Jalgaon, etc. They were given a stipend and House Rent of Rs. 60 and Rs. 50, respectively.

4. A proposal to start a N. C. C. Unit at the Medical College, Nagpur, was sanctioned and the Unit started functioning from the beginning of the academic year 1960-61. Some teachers were sent for special training to man the N. C. C. Unit.

5. Rules regarding grant of full and partial freeships were unified and 10 per cent full freeships and 15 per cent partial freeships were started at the Medical Colleges, Nagpur and Aurangabad, from June 1960.

Sir C. E. M. Dental College and Hospital, Bombay

During the year the College admitted 75 students for regular B. D. S. Course. The students were admitted to condensed B. D. S. Course. The admissions were also made to the Dental Mechanic Course.

The M. D. S. Course in the subject of Prosthetic, Orthodontia, Periodontia and Operative Dentistry were continued during the year and 10 new graduates were admitted for the course during the year.

During the year under report the foundation stone of a new building to house the Sir C. E. M. Dental College and Hospital, Bombay, and the post-graduate departments was laid down by the Chief Minister for the State of Maharashtra on 26th March 1960 in the compound of St. George's, Hospital, Bombay.

Two full-time members of the staff have been deputed abroad by Government for the higher training.

The Scheme of imparting practical training in Dentistry for a period of one month to Medical Officers I/c. Primary Health Centres in the State of Maharashtra and Gujarat was introduced from 15th July 1960 and during the period under report 20 Medical Officers have received training.

FELLOWSHIPS

The following persons were granted 'fellowships' for studies abroad under the programme during the year 1960 :—

Point Four Programme Fellowships :

Three Lecturers and 1 Professor have been granted fellowship under this programme—

Swedish Govt. Scholarships	..	1 Junior Lecturer.
W. H. O. Fellowships	..	1 Lecturer.
I. C. M. R./RF Fellowships in India		2 Junior Lecturers.
Fellowships under U.N.T.A.A.	..	1 Occupational Therapist.

Deputation at Govt. cost abroad :

1 Lecturer, and
1 Professor in Anatomy.

NURSING SERVICES

The College of Nursing, Bombay, which provided the courses of study leading to the degree of B. Sc. (Nursing) started functioning from June 1960 in the New Nurses' quarters of the J. J. Group of Hospitals, Bombay.

During the period under report the Health Survey and Planning Committee of the Government of India were in Bombay. A memorandum on Nursing was presented indicating how far the recommendations of the Bhore Committee were carried out and trends in Nursing in the State.

The Maharashtra Nursing Service State and Regional Cadres continue to be maintained.

All-round progress in the Nursing service continued. Efforts are made consistently to provide for reasonable standard of Nursing care and treatment under existing conditions. The Institutions continue to admit 50 to 100 per cent extra patients. With a quick turnover and early ambulation at the Medical College and District Headquarter Hospitals, the services required are largely for acute conditions.

The Institutions and Primary Health Units and sub-Centres were visited in the Districts of Nasik, Dhulia, Jalgaon, Sangli, Kolhapur and Satara. Recommendations were made and followed up. With the limitations of funds at District Head quarter Hospitals, it has not been practicable to provide for equipments, linen, etc., for the actual number of patients. From special grants received for linen it has been possible somewhat to make up the deficiency.

Close co-operation is maintained with the Public Health Department and the development of Nursing Services in the Field. Public Health Nurses after a further 3 months in service training in supervision are posted at the District Headquarters undertake supervision of the Primary Health Units.

The number of Nursing posts stand as follows :—

Medical Department

—	Bombay Region		Poona Region		Nagpur Region		Aurangabad Region

Public Health Department

Public Health Nurses	16
Tutors	1
Nurse Midwives/Health Visitors ..	314
Midwives	1,034

There has been no change in the service condition of Nurses. The Nursing Committee recommendations as regards quarters for all trained staff, working hours limited to 96 hours fortnight as also part-time work for married nurses have not been fully implemented. Difficulties of housing continue, this being more acute for married nurses.

Facilities for advanced training and refresher courses were given as follows :—

(1) Two Nurses were deputed to Australia for further training in T.B.

(2) A Nurse was deputed to Canada for obtaining a Masters Degree in Nursing.

(3) Nine nurses were deputed for Tutors courses.

(4) Two nursess were deputed for Psychiatric Nursing.

(5) Twelve nurses were deputed for training in Public Health Nursing

Refresher courses were attended in—

(*i*) Operation Theatre technique ..	15 participants.
(*ii*) Ward Administration and teaching.	35 participants.
(*iii*) Paediatrics	Organised by Government of India with assistance of W. H. O., 8 participants.
(*iv*) Nursing Administration ..	Organised by Government of India with assistance of W. H. O., 4 participants.

The Registration in 1960 was as follows :—

	Bombay Nursing Council	Vidarbha Nursing Council
Nurses	2,159	602
Nurse-Midwives	5,083	550
Male Nurses	484	40
Auxiliary Nurse-Midwives	221	281
Health Visitors	350	41
Public Heath Nurses ..	14	..

The ratio in the State for the population of 39,504,304 is—

1 Nurse to population 12,025 ..
1 Midwife to population 6,439 .. } B
1 Helth Visitor or Public Health Nurse
to population 77,541.

The ratio staff employed in Government and Non-Government Institutions in the State to the number of beds is 1:5

Total Beds .. 14,941
Nurses 2,778
1 Nurse to 5

NURSING EDUCATION

Basic courses.—(a) The College of Nursing, Bombay, affiliated to the Bombay University was established in June 1960. Twenty-five students are to be admitted annually. The course is of 4 years leading to B.Sc. (Nursing). The Principal is assisted by three full-time Tutors and Panel of External Lecturers.

The college is housed temporarily in the New Nurses quarters of the J. J. Hospital. Provision is made in the 3rd Plan for the building of college and hostel. Plans and estimates have been drawn.

(b) The 3½-year Nurse-Midwife course continued to be conducted at 16 schools of Nursing in the State—

Eight in Bombay Region.

Four in Poona Region.

Three in Nagpur Region.

One in Aurangabad.

One additional centre was opened at Main Hospital, Akola, to train 34 students.

Besides the Panel of External Lecturers, Tutors are appointed at each training school. The approximate ratio is one tutor for 50 students. A public health nurse is attached to all the teaching units.

The total number of students under training are 1,915. During the year 1,615 applications were received and 364 were admitted.

Simultaneously 199 qualified and were absorbed in the State Nursing Services.

(c) The 2-year Auxiliary Nurse-Midwife course primarily undertaken to train personnel for staffing the sub-centres attached to Primary Health Units was continued to be taught at 20 Schools of Nursing in the State.

Two additional centres were opened at Civil Hospital, Wardha, and General Hospital and T.B. Sanatorium, Mominabad.

Domiciliary Practice experience for 3 months during the training period of these students arranged at the Primary Health Units in the District.

The total number of students under training is 422.

During the year 1,151 applications were received and 207 were admitted. Simultaneously 108 qualified and were absorbed against the post of midwives in the Primary Health Units in the State.

(d) The Health Visitors Training Programme conducted at the Health School, Nagpur, with facilities to train 45 students registered a turn over of 18 Health Visitors in 1960. These students were employed in the Primary Health Units in the State.

(e) The departmental course for training 15 T.B. Visitors annually at the T.B. Control and Training Centre, Nagpur, continued. Candidates passing out were employed as T.B. Health Visitors attached to the area covered by the Teaching Centre.

Post certificate courses :

Six Nurses were deputed for Tutors course.
Two Nurses were deputed for Psychiatric Nursing course.
Fifteen Nurses were deputed for Public Health Nursing course.

Simultaneously six nurses qualified as Tutors and were posted at School of Nursing.

The Nurse qualifying in Nursing Administration was posted as Assistant Matron.

Fifteen Public Health Nurses who qualified were posted at Teaching Institution and in the Public Health Department.

The State Nursing Council inspected the following Institutions :—

Civil Hospital, *Sangli.*
Medical College and Hospital, *Aurangabad.*
Civil Hospital, *Parbhani.*
Civil Hospital, *Nanded.*
Civil Hospital, *Ahmednagar.*
Main Hospital, *Akola.*
Civil Hospital, *Wardha.*

Recommendations made were carried out—

Continuous efforts are made to provide for sufficient teaching aids and library books. Special grants were sanctioned for Main Hospital, Akola, Civil Hospital, Wardha, and General Hospital, Mominabad.

Students hours are limited to 48 hours week on day and 60 hours week on night duty.

The Schools of Nursing continue to experience difficulty of housing the students and staff. The Nurses Homes are over-crowded where possible the staff are permitted to live out.

An additional nurses home at Sassoon Hospitals, Poona, to accommodate 120 nurses was completed and equipped. The work for the extension of Nurses Home at Irwin Hospital was started.

Buildings were hired to house the students at Mavo Hospital, Nagpur, and Civil Hospital, Wardha.

Administrative approval is given to plans and estimate for Nurses Homes at G. T. Hospital, Bombay; Civil Hospital, Jalgaon; Civil Hospital, Chanda, and extension to Nurses Home at Daga Hospital, Nagpur.

Fifteen Schools benefited for providing for recreational activities from the funds donated from the Dufferin Fund.

Number of Schools have formed student nurse units and are members of the All India Student Nurses Association. They participate an annual conference and take part in the exhibitions arranged for the schools.

The Vocational Guidance Bureau of the Government of Maharashtra dissiminates information of courses in nursing the material for which is given by this Department.

Scheme for training of Medical Laboratory Technicians and X-Ray Technicians :

Government by G.R., L.S.G. & P.H.D., No. MLT-1057-B, dated the 17th October 1958, had accorded sanction to the training of 81 Medical Laboratory Technicians during the Second Five-Year Plan period. Of these, 44 were to be trained at the training Centres in old Bombay area, 24 in State Vidarbha area and 13 in Saurashtra :—

Number of candidates trained during 1960-61.

Year	In old Bombay State	Vidarbha	Saurashtra	Total
1960-61	16	8	6	30

The candidates who completed their training were duly posted either in clear vacancies or by terminating the services of untrained candidates.

SPECIALIST SERVICES AND FACILITIES

Tuberculosis Institutions.

At present there are 527 Tuberculosis beds in General Hospitals (Govt.) and 906 beds at the Government Tuberculosis Hospitals/Sanatoria. In addition there are :—

25 beds at Bel Air Sanatorium, Panchgani, district Satara.

25 beds at Wanless Tuberculosis Sanatorium, Wanlesswadi, district Sangli.

10 beds at Nasik Tuberculosis Institute, Nasik.

These beds are reserved for Tuberculosis patients and a grant-in-aid at Rs. 1,800 per annum per bed is paid to these Institutions. These reserved beds are intended for Government servants, their families and poor patients.

The Government of Maharashtra constituted a Maharashtra State Advisory Board on Tuberculosis, in November 1960. The terms of reference of the Board are to scrutinise special problems and review the existing measures for the prevention, control and treatment of Tuberculosis including B.C.G Vaccination and to make recommendations to Government.

An amount of Rs. 44,000 for the use of Isonicotinic Acid Hydrazide for the cure of Tuberculosis patients was sanctioned by Government during the year under report.

A full-fledged Occupational Therapy Department at the Hospital for Diseases of the Chest, Camp Aundh, Poona, was sanctioned during the year under report in August 1960.

Administrative approval was accorded to the plans and estimates, latter amounting to Rs. 40,815, for providing a dust proof surface to the roads roundabout the Tuberculosis Sanatorium, Mominabad, district Bhir.

A Government Tuberculosis Clinic at the Sarvodaya Hospital, Ghatkopar, was established during November 1960.

Forty additional beds were opened at Sassoon Hospitals, Poona, for Tuberculosis.

MENTAL HOSPITALS

At the commencement of 1960 the erstwhile Bombay State had 8 Mental Hospitals, with the formation of the unilingual States of Maharashtra and Gujarat with effect from May 1960, four Mental Hospitals at Ahmedabad, Baroda, Bhavnagar and Jamnagar went over to Gujarat and the following four Mental Hospitals are now in the State of Maharashtra :—

1. Central Mental Hospital, Yeravda, Poona-6.
2. N. M. Mental Hospital, Thana.
3. Mental Hospital, Nagpur.
4. Mental Hospital, Ratnagiri.

The sanctioned strength at these four Mental Hospitals is as under :—

Institution	Sanctioned number of beds
1. Central Mental Hospital, Yeravda	1,297
2. N. M. Mental Hospital, Thana	440
3. Mental Hospital, Ratnagiri	226
4. Mental Hospital, Nagpur	610
Total strength ..	2,573
In addition there are beds reserved for Psychiatric patients at General and private Hospitals.	92
Total ..	2,665

All the Mental Hospitals were over-crowded.

2. The Government of Maharashtra appointed a Committee under the Chairmanship of the Surgeon-General to make recommendations for the improvements of Mental Hospitals and better care and treatment of Mental patients and for other measures to be adopted for the prevention of mental diseases and for improvement of Mental Health in general. The Committee in its report has recommended various schemes for improvement of Mental Health. The report is at present under the consideration of the Government.

LIST OF MAJOR AND MINOR WORKS UNDERTAKEN DURING THE YEAR 1960

Mental Hospitals

Major Works.

N. M. Mental Hospital, Thana.—Three dormitories, two for males and one for females, were completed during the year and occupied. In addition two dining-halls, one for males and the other for females, have also been completed and put into use during the year. The work of renovating ward Nos. 1 and 2 was also completed during the year under report.

Mental Hospital, Ratnagiri.—The work of construction of quarters for overseers and nurses at a cost of Rs. 22,000 and the work of construction of quarters for the Superintendents at a cost of Rs. 19,000 were sanctioned during the year under report.

Mental Hospital, Nagpur.—Government have sanctioned the following construction works during 1960 :—

Construction of 50-bedded wards each for male and female patients at Mental Hospital, Nagpur (*vide* G.R., L.S.-G. & P.H.D., No. MHN-1359-S, dated the 24th February 1960), for Rs. 3,29,532.

Central Mental Hospital, Yeravda.—The following works were sanctioned during 1960 :—

Construction of two-way shed, (*vide* G.R., L.S.-G. & P.H.D., No. MHY-1359-S, dated the 21st April 1960) for Rs. 86,722.

In addition to the above, the following purchases were sanctioned during the year under report :—

(1) Supply of woollen blankets for Central Mental Hospital, Yeravda (*vide* G.R., L.S.-G. & P.H.D., No. MHY-1660-S, dated the 12th August 1960), for Rs. 55,100.

(2) Purchase of 1,832 iron cots (*vide* G.R., U.D. & P.H.D., No. HSP-1250-56221-B, dated the 18th October 1960) for Rs. 1,13,758.

Major Building Works

The following were some of the major works sanctioned by Government during the year 1960 under report :—

(1) Construction of quarters for Housemen on the terrace of the new Out-Patient Department of the St. George's Hospital, Bombay—Rs. 45,500.

(2) Construction of quarters for Nurses at G. T. Hospital, Bombay—Rs. 91,000.

Thana—

Construction of quarters for post-examination training of medical students (Internees) at the Civil Hospital, Thana—Rs. 22,750.

Poona—

(1) Provision of Air Conditioning Units in the Animal House at the B. J. Medical College, Poona—Rs. 36,385.

(2) Construction of new buildings for Hospital for Diseases of the Chest, Camp Aundh, Poona—Rs. 45,000.

Sholapur—

Construction of quarters for post-examination training of medical students (Internees) at the Civil Hospital, Sholapur—Rs. 22,650.

Dhulia—

(1) Construction of quarters for post-examination training of medical students (Internees) at the Civil Hospital, Dhulia—Rs. 45,000.

(2) Construction of staff quarters at Cottage Hospital, Shirpur—Rs. 45,000.

Satara—

Construction of new building for the Civil Hospital, Satara—Rs. 45,500.

Jalgaon—

Construction of subsidiary buildings for the staff at Cottage Hospital, Chopda—Rs. 45,500.

Aurangabad—

Construction of a compound wall 'A' and 'B' type for the Medical College and Hospital, Aurangabad—Rs. 45,500.

Osmanabad—

Building for establishment of a Radiology Unit at Osmanabad—Rs. 20,070.

Akola—

Raising the bed strength in District Head quarter Hospital at Akola—Rs. 5,18,646.

Minor Works

	Rs.
1. Additions and alterations to wards Nos. 5 and 6, G. T. Hospital, Bombay.	10,846
2. Construction of A.C. Sheet Roof over the existing Dhobi Bhatti and Ghat in the compound of the G. T. Hospital, Bombay.	6,135

	Rs.
3. Providing W. I. Water storage Tank over terrace of Administrative building at the G. T. Hospital, Bombay.	6,919
4. Providing additions to electric installation in Cama and Albless Hospitals, Bombay.	4,325
5. Providing 3 phase-wire underground cable connection for feeding the E.I. in the Sassoon Hospital, Poona (work in progress).	5,700
6. Providing a Car Park for the Hon. Medical Officers at the G. T. Hospital, Bombay.	4,288
7. Electrification of Class IV quarters at Nagpur	8,840
8. Minor works in Civil Hospital, Nasik	5,878
9. Repairs to Frog-House, Grant Medical College, Bombay	4,135
10. Providing and fixing iron bars and XPM Jally to windows in Nurses quarters in Medical College, Nagpur.	3,400
11. Construction of Garage for the Ambulance Car at the Diagnostic Centre, Civil Hospital, Thana.	4,506
12. Extension to Museum at the Medical College, Aurangabad	6,000
13. Providing a water-pump set at the C. J. Opthalmic Hospital, J. J. Hospital Compound, Bombay.	2,305
14. Providing additions and alterations to electrical installation in the B. J. Medical College, Poona.	2,330
15. Providing a roof over the open space of the new Surgical ward in the compound of Civil Hospital, Nasik.	9,800
16. Providing W.I. Grill to the windows of Lady Students Hostel, Grant Medical College, Bombay.	9,067
17. Providing additions to the electric installation in the residential quarters of the R.M.O. Registrars and House Surgeons, at the Cama and Albless Hospitals, Bombay.	7,449
18. Providing asphalt roads in place of katcha roads in the compound of Cama and Albless Hospitals, Bombay.	15,581
19. Providing additions to electric installation at the Cama and Albless Hospitals, Bombay.	13,584
20. Additions and alterations to Out-Patient Department in G. T. Hospital, Bombay.	3,454
21. Construction of compound wall around the servants' quarters at the G. T. Hospital, Bombay.	8,550

	Rs.
22. Conversion of ward No. 14 into Prisoners' ward in the compound of the St. George's Hospital, Bombay.	14,704
23. Construction of a building for the Child Welfare Centres in the compound of St. George's Hospital, Bombay.	12,152
24. Additions and alterations in Kitchen Wadia Home for Nurses, J. J. Group of Hospitals, Bombay.	3,247
25. Providing T.W. partition in Pathology Department at the Grant Medical College, Bombay.	5,217
26. Providing additions and alterations for Housemen in B.M.S. quarters in J. J. Hospitals compound, Bombay.	2,928

OTHER MEDICAL FACILITIES

Rural Medical Relief Schemes

With a view to increase medical facilities in rural areas Government have sanctioned a scheme for starting R.M.R. Centres in (Panchayat and non-Panchayat villages) where medical boxes containing standard medicines for common ailments are kept and medicines are given to patients on payment of nominal charges, i.e. ½ anna. The persons in charge of R.M.R. Centres are paid Rs. 10 per mensem.

The expenditure on account of Village Panchayat Centre is borne by Government, the District Local Boards and the Village Panchayat in the proportions of 37½ per cent, 37½ per cent, and 25 per cent, respectively.

In case of the non-Panchayat Village Centres, the cost is borne by Government and the District Local Board in equal proportion.

Ten R.M.R. (i.e., 5 in Panchayat and 5 in Non-Panchayat areas) were allotted to each district.

Sub-Dispensary Scheme

Under the above scheme Government have sanctioned 37 sub-dispensaries in Scheduled and Backward areas of the West Khandesh (19 sub-dispys.) and Panchmahal Districts (18 sub-dispys.). The scheme envisages distribution of simple medicines through Social Workers who are trained for a period of 15 days at Civil Hospitals and supplied medicines to treat the patients. Of these 37 sub-dispensaries, 34 are working at present. Under the Subsidised Medical Practitioners Scheme Government have sanctioned 445 Subsidised Medical Practitioners Centres: Allopathic (113); Ayurvedic (156), and Unani (2). The Scheme of Subsidised Medical Practitioners has been sanctioned by Government with a view to induce them to work in rural areas.

As a measure of trial Government applied a 20 per cent reduction in the Honoraria of these Subsidised Medical Practitioners who had put in 10 years or more service at these Centres. It was seen that there was no adverse effect on the Subsidised Medical Practitioners Centres on account of the cut in the honoraria. The resulting savings were utilised for opening 13 new Centres.

Establishment of Four Table Dispensaries in Vidarbha.

There is a great demand for dispensaries in rural areas. Government have therefore accorded their sanction for establishment of four new Table Dispensaries in the extreme rural areas of Vidarbha Region bordering on Andhra State. The dispensaries have been opened by Janapad Sabhas and Government bear the cost on account of pay and dearness allowance of M. M. S. Class III Officers in charge of these Dispensaries and pay a medicine grant of Rs. 500 per annum to the Janapad Sabha concerned. The location of these dispensaries is as under :—

1. Asaralli ..
2. Regunta .. } District Chanda.
3. Dewalmani ..
4. Venkalapur ..

Scheme of improvement of District Local Board and Municipal Dispensaries

With a view to relieving the overcrowding at the District Head quarters Hospitals and to enable the rural population to take advantage of the in-patient accommodation, Government have sanctioned grants to the District Local Boards and Municipalities in order to improve facilities at their dispensaries. This scheme has been introduced in dispensaries which are in-charge of Government Medical Officers (for details of scheme, *see* Appendix II).

Scheme of appointment of Nurses Midwives

As a part of the progress of medical relief in rural areas, Government have sanctioned a scheme which provides for the appointment of Nurses-Midwives in rural areas. Towards cost of entertainment of these mid-wives, Government pay a grant equal to 4/5th of the total cost and the remaining portion is borne by District Local Boards, *vide* G. R., G. D.,

No. 1433/33 (*b*), dated the 26th April 1938. The following is the position of the staff so far appointed and its expenditure for the year under report:—

Region	District	No. of nurse/ midwife appointed
(1)	(2)	(3)
Poona	South Satara	4
	North Satara	3
	Ahmednagar	4
	Poona	4
	Total ..	15
Bombay	East Khandesh	4
	West Khandesh ..	6
	Ratnagiri	3
	Kolaba	3
	Thana	5
	Total ..	21

Expenditure—	Rs.
Bombay Region	37,800
Poona Region	27,000
Total ..	64,800
4/5ths Expenditure ..	51,840

Grant-in-aid to Hospitals and Dispensaries.

1. *The Tata Memorial Hospital, Bombay.*—This is a charitable institution rendering specialised treatment in cancer. During the year 1960 a grant-in-aid of Rs. 1,00,000 was paid to this Institution.

2. *Infantile Paralysis.*—For the maintenance of the Children's Orthopaedic Hospital, Mahalaxmi, Bombay, a grant-in-aid of Rs. 87,783 was paid to the Society of the Rehabilitation of Crippled Children during 1960.

3. *Grant-in-aid to Missionary Hospitals and Dispensaries.*—During the year 1960 a grant-in-aid of Rs. 19,280 was paid to the Wanless Tuberculosis Sanatorium, Wanlesswadi, district Sangli.

Surgical camp

During the year 1960 a Surgical Camp was held at Mominabad, district Bhir, for the period from 18th January to 1st February 1960.

The details of the cases treated were as under :—

—	Male	Female	Total
(1)	(2)	(3)	(4)
Total No. of O. P. D. cases treated ..	3,184	1,369	4,553
Total No. of Indoor cases treated ..	408	202	610
Total No. of operations performed ..	..	..	564

The expenditure sanctioned by Government for the Camp was Rs. 19,100. The Camp was successfully conducted.

Eye camps and Eye banks

1. An Eye Camp was held at Kolhapur from 28th February to 8th March 1960. The details of the cases treated are as under. (An expenditure of Rs. 16,634·29 was incurred for this purpose) :—

1. Total Out-patients	3,586
2. Total Indoor patients	878
3. Total operated	878

—	Patients	Both Eye	Total
(1)	(2)	(3)	(4)
1. Cataract	702	32	734
2. Iridectomy	..	..	32
3. Dacryocystectomy	..	..	55
4. Pterygium	..	..	27
5. Entropion	..	..	4
6. Staphylectomy	..	..	2
7. Enucleation	..	..	2
8. Capsulectomy	..	..	2
9. Conjunctival Cyst removal		..	2
		Total ..	910

Another Eye Camp was held at Parbhani from 5th to 9th February 1960. The details of the cases treated are as under. An expenditure of Rs. 9,499·64 was incurred on the Camp :—

—	Male	Female	Total
(1)	(2)	(3)	(4)
Total of Out-patients	2,885	2,670	5,555
Total No. of Indoor patients	439	332	771

Total No. of operations performed	No. of operations	No. of patients
(1)	(2)	(3)
1. Cataract	634	573
2. Iridectomy	140	111
3. Needling	21	13
4. Pterygium	34	26

6. Dacryocystectomy	21	19
7. Staphylectomy	1	1
8. Paracentesis	6	6
9. Meibomian Cyst	2	1
Total ..	884	771

Eye Camp at Warora, District Chanda.—An Eye Camp at Warora, District Chanda, was held from 6th to 20th February 1960.

The Government expenditure on this Eye Camp on various contingencies like medicine, dressings, cataract glasses, petrol, milk and feeding, etc., amounted to Rs. 3,665·10. The rest of the expenditure was borne by the Local Committee, Netra Dan Sangh Samiti, with the help of donations from the Janapad Sabha, Warora Municipal Committee, Warora and public contribution in each kind.

Figures of Out-patients, Indoor Patients and Operations.

1. Total of Out patients 1,138
2. Total of Indoor .. .. 333 Operations.

Operation performed

1.	Cataract	300
2.	Iridectomy	7
3.	Optical Iridectomy	4
4.	Dacryocystectomy	4
5.	Pterygium	10
6.	Needling	6
7.	Entropion	2
	Total ..	333

An Eye Bank was opened in the compound of J. J. Group of Hospitals, Bombay, and it started functioning from 10th August 1960 with the following staff:—

1.	Honorary Medical Officer	1
2.	Registrar	1
3.	Staff Nurse	1
4.	Clerk	1
5.	Peon-*cum*-Wardboy	1

Another Eye Bank is functioning at the Irwin Hospital, Amaravati and the work of Lamellar and Penetrating Corneal grafting is being done at the Bank. The results have been very satisfactory.

The following is the statement of statistics of work done at the Eye Banks during the year under report :—

BLOOD-BANK CAMPAIGN

A month long Blood Bank Campaign was organised by the Maharashtra Government during the months of November and December 1960 in order to launch a drive for collecting more Blood for the use of thousands of indigent patients requiring Blood and to focus the minds of our people on this noble cause of donating Blood on a voluntary basis. 8,37,970 cc. of Blood were collected during the campaign period and 6,31,400 ccs. were transfused. The campaign had the co-operation of various social organisations and private workers.

An exhibition of the Blood Bank section of the Haffkine Institute was held in the Cama and Albless Hospital compound in November 1960. In addition to the existing Blood Bank, additional Banks were opened during the year 1960 at the following Hospitals :—

1. Cama and Albless Hospital, Bombay.
2. Civil Hospital, Thana.
3. Civil Hospital, Jalgaon.
4. Civil Hospital, Nasik.
5. Civil Hospital, Amravati.

It is proposed to open 12 more Blood Banks in the Third Five-Year Plan period to enable each District to have a Blood Bank.

A note on the working of Employees' State Insurance Scheme

1. *Bombay.*—The Employees' State Insurance Scheme for industrial workers has been implemented on 3rd October 1954 covering Greater Bombay and its adjacent areas up to Borivli on the one side and Ambernath on the other. Workers residing beyond these areas up to Virar and Karjat are also covered. At the end of 1960, 6,60,336 employees working in about 2,600 factories have been covered by the Scheme. The scheme which is run on an 'Insurance Basis' provides for the following benefits:—

(*a*) Sickness Cash Benefit.
(*b*) Maternity Benefit.
(*c*) Disablement Benefit.
(*d*) Dependents Benefit.
(*e*) Medical Benefit.

The first four are in cash and the last, *viz.*, Medical Benefit is in kind. A worker becomes entitled to the last three benefits with the introduction of the Scheme and to the first two after a lapse of about 9 months from inception. Medical care and treatment to insured persons is provided by the State Government and is comprehensive covering all aspects of Modern Medicine.

2. *Insurance Medical Practitioners.*—For providing general medical service at the Clinics and at workers' homes, there were 1,159 Insurance Medical Practitioners including 218 Ayurvedic and 4 Unani. A worker can get himself registered with a doctor near his house or with one of his choice, to receive medical treatment in the system of medicine of his faith. These Insurance Medical Practitioners are practising in different areas of Bombay and even as far as up to Virar and Karjat where the industrial worker can join the scheme at any time. Each Insurance Medical Practitioner is allowed to take 1,000 persons on his list and in certain concentrative areas have been allowed to take up to 2,000 persons. The attendance at the dispensary is a minimum of 5 hours per day in two sessions for 1,000 workers on their list and 6 hours for 2,000 workers on their list. The total number of insured persons treated at the Clinics of the Insurance Medical Practitioners during the period from January 1960 to December 1960 was 17,48,505.

3. *Hospitalisation.*—For in-door treatment of insured workers, Government has reserved general, maternity and tuberculosis beds in Hospitals. There are 14 General Hospitals, both Government and private, approved under the Scheme where 440 beds are reserved for the insured workers. The question of reservation of 60 beds more is under consideration. Five Tuberculosis Hospitals are recognised for tuberculosis patients and 250 beds are provided for insured persons. Both the Insurance Medical Practitioners and Specialists under the Scheme can get cases admitted to these Hospitals. Emergency cases are admitted at any time in these Hospitals. Waiting lists are also maintained by these Hospitals for non-emergency cases and patients are admitted when a vacancy arises. Costly medicines including Chloromycetin are supplied to the insured persons during their stay in the Hospitals.

The number of insured persons treated in Hospitals during the year 1960 (January to December) is as follows:—

General	..	12,676
Tuberculosis	..	2,199

4. *Maternity Hospitals.*—Ante-natal care is provided up to 7 months of pregnancy at the Diagnostic Centres and then by the Hospitals concerned. Domiciliary confinements are provided for by registered midwives engaged by the Insurance Medical Practitioners in charge of the cases.

Arrangements are also made at Maternity Hospitals for confinement of insured women workers for which 15 Maternity Hospitals are recognised under the Scheme for the purpose. The number of insured women confined in these Hospitals during the period under report, was 272.

5. *Diagnostic Centres.*—Six Diagnostic Centres have been set up in different parts of Bombay and at Thana for Laboratory, X-Ray and Specialists' examination of insured persons. Ten specialists in different specialities are attending each Diagnostic Centre twice a week, except the Specialist in Radiology who attends four times a week.

During the period under report 2,05,269 insured persons attended these Centres. Similarly, 12,956 insured persons were screened and 22,817 X-ray plates were taken. Blood examinations were done in 29,865 cases and other laboratory examinations in 57,412 cases during the above period.

With a view to making available early the services of specialists, Government have sanctioned the appointment of 8 full-time Specialists under the scheme. Six posts of Specialist Medical Officers in Skin Diseases have also been sanctioned. Steps are being taken to fill in these posts. Two Ayurvedic Specialist Medical Officers have been sanctioned to deal with cases referred to by the Insurance Medical Practitioners practising Indian Systems of Medicine.

6. *Ambulance Service.*—Seven ambulnces have been provided at Diagnostio Centres for conveyance of sick insured persons to Hospitals. In case of serious emergency, if no ambulance is available, the Insurance Medical Practitioners are authorised to provide the cheapest available transport for conveyance of such cases to Hospitals and submit a bill to the Administrative Medical Officer for reimbursement under Rule 9 (2) of terms of services for Insurance Medical Practitioners.

7. A Tuberculosis Clinic has been established at each Diagnostic Centre where suspected cases of Tuberculosis are referred for confirmation of diagnosis and advice. The Tuberculosis Specialists advise either domiciliary treatment or Hospital treatment for the patient. The incidence of tuberculosis is very high amongst insured workers. A proposal for starting a refill clinic at each of the Diagnostic Centres is under consideration.

8. *Minor Surgery and Casualty Centres.*—It has been proposed to set up Casualty Centres at two Centres. The Casualty Centres will serve to take up casualty cases directly from a factory or from Insurance Medical Practitioners.

9. *Supply of drugs.*—The insured workers are supplied free of cost all drugs by Panel Doctors according to the Schedule of the supply of drug on the prescription of Panel Doctors or Specialists. The number of medicines available to insured persons is 119 Allopathic and 68 Ayurvedic. The payment on costly medicines made by Government from January

to December 1960 is about Rs. 32,06,201. Chemists are appointed under the scheme in different areas of Bombay and up to Virar and Karjat. 99 such Chemists are working under the Scheme.

Government have sanctioned the opening of a Medical Store at each Diagnostic Centre since some insured persons find difficult in getting medicines for their chemists. Three Medical Stores have already been established at the following Diagnostic Centres accordingly.

1. Diagnositc Centre at Kavarana Building, Near Cotton Green Station, Bombay.

2. Diagnostic Centre at Sarvodaya Charity Trust Building, near Gokhale Road (South), Dadar, Bombay.

3. Diagnostic Centre at J. J. Hospital, Byculla, Bombay.

10. *Blood Transfusion Service.*—A free Blood Transfusion Service has been arranged by the Indian Red Cross Society of Bombay and Poona and other Hospitals for supply of blood to emergency cases admitted in Hospitals.

11. *Utilisation of Employer's Medical Facilities*—Arrangements as far as possible are being made to recognise the medical facilities of those factories who have asked for recognition. Tuberculosis Clinic of Tata Industries has been recognised for the workers.

12. *Complaints.*—The total number of complaints received during the period under report was 181.

The cases are investigated by three Medical Inspectors and disposed of personally. For enquiry into complaints which are of a more serious nature, Medical Service Committees (Allopathic and Ayurvedic) have been appointed by Government which investigate the cases and make recommendations to the Surgeon-General with the Government of Maharashtra, Bombay, as regards action to be taken against the Insurance Medical Practitioner. The Allopathic Committee met 10 times and the Ayurvedic Committee met three times during the period under report.

13. *Pharmaceutical Committee.*—The Pharmaceutical Committee consists of 7 members and it deals with questions regarding the increase or decrease of scheduled medicines for the Insurance Medical Practitioner, the packages, dosage and usage and prescribing of drugs by the doctors. The Committee met twice during the year.

14. *Medical Board.*—Two Medical Boards have been set up to decide the cases of those resulting out of injuries sustained by persons during employment for payment of disability benefit.

15. *Allocation Committee.*—Three Allocation Committees, two Allopathic and one Ayurvedic have been set up to select new doctors for enlisting them under the Scheme. The Committee meets twice a year after the Doctors' applications are called for.

16. *Extension of the Scheme.*—Government have made a provision of a sum of Rs. 9,29,662 on an *ad-hoc* basis for extension of the Scheme to families of the insured persons in Bombay and Nagpur and implementation of the Scheme with benefits to families in Ahmedabad. The Corporation has also appointed an *ad-hoc* Local Advisory Committee to advise Government and the Corporation on matters pertaining to the implementation of the Scheme in Ahmedabad.

Financial Implications.—The total expenditure incurred during the period under report on the Employees' State Insurance Scheme in Greater Bombay was Rs. 91,15,402·33 as detailed below :—

	Rs.
1. Capitation fees	32,06,201·03
2. Medicines and special drugs and instruments ..	28,22,431·79
3. Hospitalisation—	
(*a*) General Hospitals	9,70,454·00
(*b*) T. B. Hospitals	7,19,877·00
(*c*) Confinement	22,658·00
4. Pay of Officers, Establishment, Contingencies, Diagnostic Centres, etc.	13,73,780·51
Total ..	91,15,402·33

Three-fourths of the total expenditure incurred on the implementation of the Scheme is borne by the Employees' State Insurance Corporation and the remaining one-fourth by the State Government.

VIDARBHA REGION, NAGPUR

1. (i) The Employees' State Insurance Scheme was first implemented in Nagpur City on 11th July 1954 for industrial workers of the town. The Scheme was further extended to the towns of Akola and Hinganghat, on 26th June 1956. The Scheme is based on the Employees' State Insurance Act of 1948.

(ii) Area covered by the Scheme—

1. Nagpur—Within the limits of Nagpur Municipal Corporation.

2. Akola—Within the limits of Municipal Committee, Akola.

3. Hinganghat—Within the limits of Municipal Committee, Hinganghat.

(iii) Total number of workers getting benefit from the Scheme—

	Male	Female
1. Nagpur	29,465	3,419
2. Akola	2,768	705
3. Hinganghat	3,154	536

(iv) Benefit provided in the Scheme.—Under the Employees' State Insurance Act of 1948 the workers get the following benefits :—

1. Medical Benefit.
2. Meternity Benefit.
3. Sickness Cash Benefit.
4. Disablement Benefit.
5. Dependents Benefit.

Out of the above benefits, the first two benefits, *i.e.*, Medical and Maternity benefits are provided by a service system through State Insurance Dispensaries established exclusively for the insured person in the implemented areas.

2. Since the service system of medical benefit is in force in Vidarbha area, medical benefit is given by full-time Insurance Medical Officers and ancillary staff.

3. *Hospitalisation.*—The scheme has general, maternity and tuberculosis beds in Hospitals mentioned below for giving Hospital treatment to the insured workers on a priority basis. The number of beds in each Hospital is as stated below :—

	No. of beds
1. *General*—	
(1) Medical College Hospital, Nagpur	10
(2) Mayo Hospital, Nagpur	10
(3) Mure Memorial Hospital, Nagpur	10
(4) Main Hospital, Akola	5
(5) Municipal Hospital, Hinganghat	5
2. *Maternity*—	
(1) Mure Memorial Hospital, Nagpur	5
(2) Daga Memorial Hospital, Nagpur	5
3. *Tuberculosis*—	
(1) Medical College Hospital, Nagpur	5
(2) T. B. Ward of E. S. I. Scheme, Mayo Hospital, Nagpur (Nagpur 20 beds and Hinganghat 5 beds).	25
(3) T. B. Sanatorium, Buldana (for insured persons of Akola).	5

4. *Maternity Hospitals.*—Ante-natal care is provided at the State Insurance Dispensaries. Domiciliary confinements are conducted by qualified Midwives of the scheme.

Arrangements are also made at Female Hospital for confinement of insured women for whom 10 beds are reserved for the purpose. The number of confinements of insured women in these Hospitals during the year 1960 was 59.

5. *Diagnostic Centres.*—No diagnostic Centres have been set up under the Scheme. Insured persons of the Scheme are sent to the following Hospitals for laboratary, X-rays and Specialitists examinations :—

(1) Medical College Hospital, Nagpur.

(2) Mayo Hospital, Nagpur.

(3) Government T. B. Clinic, Nagpur.

(4) Main Hospital, Akola.

(5) Main Hospital, Wardha.

During the year under report 1,251 insured persons were X-rayed. Pathological examinations were done on 1,298 cases during the above period.

6. *Ambulance Service.*—One Ambulance has been provided at Nagpur for conveyance of sick persons to Hospitals. At other places free available conveyance is provided to insured persons whenever necessary.

7. *Tuberculosis Clinic.*—Cases of Tuberculosis are referred to Tuberculosis Control Centre of the Medical College Hospital, Nagpur and Government Tuberculosis Clinic, Nagpur, for diagnosis and advice while at Akola and Hinganghat the cases are referred to the Main Hospital Akola and Wardha, respectively.

8. *Minor Surgery and Casualty Centres.*—The Casualty cases are given first-aid in the factory dispensary and later on in an emergency dispensary, which is open day and night.

9. *Supply of drugs.*—The insured workers are supplied free of cost all drugs store in the State Insurance Dispensary according to the schedule of drugs approved by the Employees' State Insurance Corporation. The drugs are supplied to the dispensaries at Nagpur from the Central Medical Stores established in the State Insurance Dispensary, Jumma Tank.

10. *Complaint.*—The total number of complaints received during the year 1960 was 28.

The cases are investigated by the Administrative Medical Officer and disposed of personally during his visit to the dispensary concerned.

11. *Medical Board.*—Two Medical Boards have been set up in this region: one at Nagpur for insured persons of Nagpur and Hinganghat and another at Akola to decide the cases of injuries, sustained by persons during employment for purposes of payment of disability benefit.

12. *Extension of the Scheme.*—The Medical Benefit of the Employees' State Insurance Scheme has been extended to the families of Insured persons of Nagpur from 22nd December 1960. Three new dispensaries were opened for the extension of the Scheme to families.

13. The total expenditure incurred during the calendar year 1960 on the Employees' State Insurance Scheme, Nagpur, Akola and Hinganghat was Rs. 3,66,764—

	Rs.
(1) Pay of Officers, Establishment	1,06,276
(2) Medicines and Special Drugs and Instruments ..	2,13,482
(3) Hospitalisation	47,006
Total ..	3,66,764

Three-fourths of the total expenditure incurred on the implementation of the scheme is borne by the E. S. I. Corporation and the remaining one-fourth by the State Government.

HOMOEOPATHY

Bombay Homoeopathic Act of 1951 regulates the qualifications and provides for the registration of practitioners of the Homoeopathic System of Medicines in the State (ex-Bombay area). The New Bombay Homoeopathic and Biochemic Practitioners Act, 1959, has yet to be replaced.

A Board of Homoeopathic System of Medicine has been established for the ex-Bombay State. The Board exercises such powers and functions as may be prescribed by or under the provisions of the Bombay Homoeopathic Act, 1951, as the State Government direct for carrying out the provisions of the said Act.

Government have granted recognition to the Bombay Homoeopathic Medical College conducted by the Homoeopathic Education Society, Bombay, for conducting courses for I, II and III L. H. Examinations which was sanctioned by Government (*vide* G. R. L. and P. H. D. No. BHP-1760-17870-H, dated 8th April 1960).

There are also 8 Homoeopathic and Biochemic Colleges at Akola, Wardha, Amravati, Khamgaon, Nagpur, Yeotmal, Chanda in Vidarbha Region. The above Colleges are conducting the course of D. H. B.

(Sd.) A. N. deQUADROS,
Surgeon-General with the Government of
Maharashtra.

APPENDIX I

Statement showing the information regarding progress made by Government and non-Government Nursing Schools during each Plan period, 1951, 1956 and 1960-61

APPENDIX II

Improvement to District Local Board Dispensaries:

The scheme was originally sanctioned, vide G. R., G. D., No. 4661/33 dated 16th April 1943 and last continued up to 31st March 1962, vide G. R., U. D. and P. H. D., No. DSP-3761/4866-B dated 11th May 1961.

Under the scheme the District Local Boards are given —

(*a*) A grant of Rs. 360 per annum for each Dispensary having no nurse or midwife towards the pay of a nurse or midwife or of two ward-boys if a nurse is not available.

(*b*) A charge of annas 4 per diet per patient and other contingent expenditure. This charge was increased to annas 8 per diem per patient in case of dispensaries which agreed to bear 50 per cent of the additional expenditure involved.

2. *Improvement to Municipal Dispensaries*:

The scheme was originally sanctioned, vide G. R., G. D., No. 5324/33 dated 18th October 1946 and last continued up to 31st August 1962, vide G. R., U. D. and P. H. D., No. RMR-3759-H, dated 24th February 1959.

Under the scheme the Municipalities are given —

(*a*) A grant of Rs. 360 per annum in respect of dispensary having no nurse or midwife towards the pay of a nurse or of two ward-boys if a nurse cannot be obtained or is not available.

(*b*) Diet charges of the patients and other contingent expenditure at the rate of annas 6 per bed per diem in the case of dispensaries maintained by Municipalities which agree to bear an additional charge of annas 2 per patient per diem and at the rate of annas 4 per bed per diem in case of dispensaries maintained by other Municipalities.

MEDICAL DEPARTMENT

No. HSG/6460/D of 1961

Directorate of Health and Medical Services (Medical), Govt. of Gujarat, Ahmedabad, dated 4th January 1962

From

Dr. T. B. Patel,
B.Sc., M.B.,B.S. (Bom.), B.Hy. (Bom.), D.P.H. (Lond.),
Director of Health and Medical Services (Medical),
Gujarat State, Ahmedabad,

To

The Secretary to Government,
Health and Industries Department, Sachivalaya,
Ahmedabad.

Subject.—Annual Report on Hospitals and Dispensaries in the State of Gujarat for 1960 (into two parts: one from 1-1-1960 to 30-4-1960 and another from 1-5-1960 to 31-12-1960).

Reference.—This office D. O. letter of even No. dated 30-12-1961.

I forward for information of Government the Report in Part I on Civil Hospitals and Dispensaries for the year 1960. Part I contains the report for the period 1st January to 30th April 1960 and is to be forwarded to the Surgeon-General, Bombay, after the approval of Government as stated in the letter number quoted above. Part II of the Report contains the period from 1st May to 31st December 1960 for the institutions covered in New Gujarat State.

Annual Report on Civil Hospitals and Dispensaries under Medical Department in Gujarat State for 1960; 1st part, i.e., from 1st January to 30th April 1960.

PART I

1. Part I contains the report from 1st January 1960 to 30th April 1960 for the area under pre-bifurcated Bombay State showing the information in respect of the Medical Institutions including the Districts of Surat and Dang. The details as the number of Hospitals and Dispensaries, distribution of Medical Personnel, the number of in-door and out-door patients treated, the number of beds, the number of surgical operations

performed, the receipts and expenditure on account of maintenance of Hospitals and Dispensaries, the invested capital, etc., are given later in the Report.

2. *Major Building Works.*—No new major works were administratively approved during the period from January 1960 to 30th April 1960 under the planning scheme or otherwise.

3. *Minor Works.*—All the buildings of Medical Institutions were maintained and white-washed as well as minor repairs were carried out by the Public Works Department authorities from the grants at their disposal.

PURCHASE OF EQUIPMENT

The Government have, during the period under report, sanctioned varying amounts for purchase of equipments/instruments for the Medical institutions, wherever possible.

4. During the report under review no new schemes were sanctioned under the plan schemes.

Ahmedabad City Hospitals—Research : B. J. Medical College, Ahmedabad

5. In order to maintain the available facilities at the teaching Hospitals the staff has been continued. Hostels—Two Hostel blocks (296 seat each) for boys and one block for girls having 132 seats are provided in B. J. Medical College, Ahmedabad. Scheduled caste and scheduled tribe students are provided free accommodation in the Hostel.

During the period under report two research schemes are going on with the aid of the Indian Council of Medical Research, New Delhi.—

(i) Investigation into the incidence of Rh (D) negative mothers and the incidence of erythroblastosis foetalis amongst the Children of Rh (D).

negative mothers and Rh. (D) positive father.

(ii) Follow-up and study of sterlization cases. Other four research schemes have already been proposed to the Director of Indian Council of Medical Research, New Delhi, for allotment of necessary funds. The Gujarat University has also granted a sum of Rs. 150.

6. *Hospitals other than Ahmedabad City.*—Government have not, during the period under report, sanctioned the amount for purchase of equipments/instruments for the Hospitals in this area.

No recurring and non-recurring grant for new schemes under the plan schemes, were sanctioned by Government for purchase of equipments as well as for additional staff at different institutions.

Grant-in-aid.—No grant-in-aid is paid to the Medical institutions of local bodies and private medical agencies for maintaining private charitable Hospitals and Dispensaries as well as for non-recurring expenditure.

GENERAL

7. *Advisory Committee.*—The Advisory Committee at Government Hospitals in this area of ex-Bombay State continued to do useful worke. Complaint Books had been maintained at all Government Hospitals and Dispensaries and the Medical Officers concerned have standing instructions to take prompt action on the complaints registered in them. The complaints are also placed before the Advisory Committee in their meetings and the reports are submitted to Government by the Surgeon-General, Bombay, every quarter showing the action taken to redress the complaints. Thanks are due to the members for the interest they evinced in the welfare of the patients.

No advisory committees were formed in the Kutch area for want of rules.

8. *Ambulance Service.*—The Ambulance service wherever available at the various Hospitals continued to do useful work.

9. *Water-supply.*—The water-supply at Government Hospitals is satisfactory except at Civil Hospital, Amreli. The water is supplied to the Hospital by a water woman who is bringing water from the stand-post put by the Municipality in the Hospital Compound, near the Hospital compound wall. This difficulty will be over, as soon as new Civil Hospital, Amreli, will be ready, the work of which is included in the State Third Five-Year Plan.

10. *Ayurvedic Section.*—There is a separate Department for Ayurved Section.

11. *Leprosy.*—The Leprosy Hospitals were under the control of the Public Health Department.

12. *Anti-T.B. Activities.*—The Government of India has given grant-in-aid for the treatment of T. B. patients and for domicilary services. A T.B. Clinic is to be started at Civil Hospital, Surat.

A T.B. Demonstration and training centre at Civil Hospital, Ahmedabad, is also to be started/established.

13. *Blood Transfusion Service at Civil Hospital, Ahmedabad.*—The staff sanctioned by the Government in connection with the Blood Transfusion service has been continued during the report under review.

The work of Blood Transfusion Service also has been continued satisfactorily.

14. *Rural Medical Relief.*—Government has sanctioned for each District (ex-Bombay State area) 10 R. M. R. Centres (5 for Panchayat and 5 for Non-Panchayat villages). According to the Scheme, one person is trained at District Headquarter Hospital for one month and he is provided with medicines and thus medical aid is rendered to the Public in rural areas where there are no other medical facilities.

15. *Appointment of Subsidised Medical Practitioners.*—Under the R. M. R. Scheme, Government have so far sanctioned 173 S. M. P. Centres. Due to dearth of Allopathic Medical Practitioners, it was not feasible to open all the Centres. The following table shows the number of Allopathic Ayurvedic and Unani Centres:—

1.	Allopathic S. M. P. Centres	32
2.	Ayurvedic	137
3.	Unani	4
	Total ..	173

The expenditure on the S. M. P. Centres is borne by the Government and the District Local Boards in proportion of 4/5ths and 1/5th, respectively.

The Districtwise S. M. P. Centres are as under :—

District	No. of S. M. P. Centres				Patients treated			
	Allo-pathic	Ayur-vedic	Unani	Total	Men	Women	Children	Total
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)

	Total ..	25

No new appointments of Nurse-midwives are made during the report under review. The Nurse-midwives working under the relevant post were continued.

Mobile Ophthalmic Units.—There is no Mobile Ophthalmic Unit during the report under review. However a proposal to establish a mobile Ophthalmic Unit in Gujarat State is under consideration of this Directorate.

Community Development and NES Block.—No Medical institution duly completed under the Community Development Scheme has been taken over by medical department during the report under review.

Surgical Camp.—No surgical camp and eye camp were organised during the period under report.

Scheme for distribution of Quinine.—Such work is done by the Public Health Department.

Nursing.—The Indian Nursing Council which has been constituted to establish a uniform standard training of Nurse-midwives and Health Visitors had prepared a revised syllabus and regulations for the courses in General Nursing and Midwifery. The same has been continued. The revised byelaws of the Bombay Nursing Council had been continued.

No candidate was deputed for the Public Health Nursing Course at the All-India Institute of Hygiene and Public Health, Calcutta, and no candidate was deputed to the College of Nursing, New Delhi, for midwifery tutors' course.

Nurse-midwives were also deputed to the Public Health Department for serving the Primary Health Centres.

There were 14 Auxiliary Nursing Training Schools which were in existence were continued during the period under report.

Arrangements to inspect some of the training institutions were made and suggestions were also made for improvements of the teaching facilities available.

During the report under review (*i.e.*, 1-1-1960 to 30-4-1960) the progress in Nursing continued to be maintained both in respect of service and education.

A common cadre of Nursing personnel has been sanctioned by Government in place of two separate cadres for teaching and non-teaching institutions as it was in ex-Bombay State.

The posts at the following Hospitals have been upgraded with effect from 1st April 1960 :—

(1) Matron, Civil Hospital, Rajkot.

(2) Matron, Civil Hospital, Bhavnagar.

(3) Matron, Civil Hospital, Junagadh.

(4) Matron, Irwin Group of Hospitals, Jamnagar.

(5) Assistant Matron, Irwin Group of Hospitals, Jamnagar.

Medical Social Service Department.—There were Medical Social Workers Departments at Civil Hospital, Ahmedabad and S. S. G. Hospital, Baroda. They were in charge of Medical Social Workers. The working of these Departments, during the period under report, was very satisfactory.

Medical Relief Work for the Displaced Persons.—The dispensaries functioning at Varssia Colony, Baroda, Sardarnagar and Kubernagar at Ahmedabad were continued with their staff and full facilities for medical relief was taken by the displaced persons.

Scheme for Higher Training Abroad (*i.e.*, Training abroad of teaching staff under foreign sponsored scheme like W. H. O., Colombo Plan etc.).—Dr. H. J. Mehta, L.C.P.S., M.B.B.S., M.Sc. (Medical), Lecturer in Embryology, B. J. Medical College, Ahmedabad, was sent abroad under point four programme during the report under review. He made best possible use of his training which he had the opportunity to undergo.

Medical Relief to the Industrial Workers (*E. S. I. Scheme*).—The Employees' State Insurance Scheme for the Industrial Workers is being implemented in Gujarat State, after bifurcation of the States.

The Administrative Officer, Employees' State Insurance Scheme in Ahmedabad, started functioning from 1st July 1959 with skeleton staff. The first Administrative Officer carried out necessary survey of Ahmedabad City for the purpose of acquisition of land for construction of the dispensaries in Ahmedabad under the Scheme. After collection of necessary data, he prepared and submitted in November 1959 a draft plan for implementation of E. S. I. Scheme in Ahmedabad. In March 1960, the first Administrative Officer was transferred and the charge of the office remained with the Dy. Director of Medical Services, Baroda, for some time and with (2) the Civil Surgeon, Ahmedabad, till the Second Administrative Officer was appointed in August 1960.

The scheme is compulsory and contributory for the Insured Workers. Medical benefit provided under this scheme covers all possible medical needs of Industrial Workers and the area comprehensive, as possible within the financial Limits. Medical care and the treatment to insured persons is to be provided by the State Government.

Activities for the Welfare of the Backward Classes

Baroda District.—Mobile Van for Mobile Dispensary at Chhota-Udepur Dispensary is ready. The staff quarters are to be constructed.

Broach District.—The facilities for the mobile dispensaries at Dediapada and Zariawadi which were started under plan scheme were continued rendering medical aid in surrounding area attached to these dispensaries for backward areas.

The land is made available for the construction of the staff quarters and will start shortly.

One Ayurvedic Dispensary at Gundia was continued during the report under review.

Surat District.—The Mobile Van which has been started at Vyara had been continued rendering medical aid in backward area.

The other two Mobile Dispensaries functioning at Vankal in Mangrol Taluka and other at Bansda were also continued giving good service in those areas concerned. One Class IV Dispensary at Ukari was also continued giving satisfactory medical aid.

Dangs District.—There are two mobile dispensaries in Dangs District one at Bardipoda and other at Gulkund. Both were continued giving medical aid in backward areas concerned.

There are also S. M. P. Centres which were continued.

There is one A. R. T. Centre and Ambulance Service facilities at Civil Hospital, Ahwa, for Adivasis.

The following schemes were proposed as new items of expenditure for 1960-61 :—

I. Providing water-supply and sanitary arrangements at Civil Hospital, Ahwa-Dangs.

II. Establishment of Cottage Hospital, Waghai.

III. Installation of X-Ray Plant at Civil Hospital, Ahwa.

IV. Dispensary at Sabir, Galkund—Conversion of Static-*cum*-Mobile Dispensary.

V. Proposal for construction of Dharamshala with a Kitchen at the Central Hospital, Ahwa.

The Backward Class students are exempted from paying tuition fees, in Baroda Medical College, unless they are granted scholarships from India Government. Besides that all Backward Class students are provided free accommodation in the University halls of residence.

The benefits and concessions prescribed under the rules for admissions to the Medical Colleges are given at B. J. Medical College, Ahmedabad and M. P. Shah Medicl College, Jamnagar.

B. K., District Palanpur.—The Mobile Van Dispensary at Dhima was continued for the welfare of the Backward Classes in Wav and Tharad talukas. It was decided to be esablished a cottage hospital at Ambaji having 25 beds during Second Five-Year Plan period and the work is in progress. It was also proposed to open one more mobile dispensary at Mankadi in this District.

Panchmahals District.—Two Mobile Dispensaries were proposed to be opened one at Sanjeli and other at Limkheda. The work for the same was in progress, during the report under review.

The Dispensaries which were started under plan schemes had been continued and maintained—

(1) Class IV Dispensary at Kanjeta.

(2) V. D. Mobile Unit in Panchmahals District.

Sabarkantha District.—The mobile dispensary which is opened during second plan period is maintained and continued during the report under review.

Centrally-sponsored schemes.—The State Government has accepted the Government of India scheme to extend medical facilities to the people in scheduled area of this State. The Government of India shares cent per cent expenditure incurred on the schemes implemented by the State Government.

The following schemes which had been accepted and already implemented in this State, i.e., for the area under report have been continued and maintained :—

(1) Two Mobile Dispensaries in scheduled areas and treating patients suffering from diseases common in such areas (Godhra District).

Two Dispensaries in Surat District.

(2) V. D. Mobile Unit in Panchamahals District.

(3) Static Dispensary in Surat District.

Miscellaneous.—There is no case of hot-spring. There is no Hot-Spring Survey Committee.

Acknowledgment.—The Department expresses its thanks to all individuals and bodies who have extended their generosity towards the patients in several medical institutions by name of donations or gift.

Statement A.—The total number of medical institutions opened at the beginning of the year or the report under review, i.e., on 1st January 1960 was 1,116 (Rural 614 Urban 502). The total number of institutions opened on 30th April 1960 was 1,128 in Gujarat State, ex-Bombay State area.

Statement B.—The following table 'B' shows the distributions of Medical Officers (including Honorary Medical Officers), Nurses, Midwives

and compounders in several classes of institutions and the S. M. P. employed in Gujarat State, i.e., area of ex-Bombay State under Rural Medical Relief Scheme during the report under review :

(1)	Medical Officers (2)	Nurses (3)	Mid-wives (4)	Dais (5)	Com-pounders (6)
Class I State Public ..	665	791	154	98	443

*S. M. P. Centre (ii) from Sangli District converted into Ayurvedic D. L. B. Dispensaries from 1st April 1960 (C. S., Sangli's Letter No. D/7291, dated 25th June 1961.)

Note on General Administration of Grant Medical College, Bombay, for the year 1960.

During the year under Report, Dr. A. N. deQuadros, M.B.B.S. (Bom.), F.R.C.S. (Eng.), D.P.H. (Lond.), was holding the charge of Dean, Grant Medical College and J. J. Group of Hospitals for the period ending 17th April 1960. He was relieved by Dr. D. V. Virkar, M.B.B.S. (Bom.), M.S. (Bom.), F.R.C.S. (Edin.), on 18th April 1960.

During the year, this college had admitted 150 students for M.B.B.S. course of Bombay University. 8 students who are the permanent residents of the Maharashtra State and who were undergoing M.B.B.S. course at the colleges outside the State were admitted to this College on their transfer for completion of M.B.B.S. course on certain conditions laid down by Government.

The Refresher course for B.M.S., Class II and III Officers and General Practitioners was conducted in May 1960 and the facilities were given for conducting Efficiency Bar Examinations. The Refresher Course for B.M.S., Class II and III Officers in the State was also conducted during the winter vacation (i.e. during October-November, 1960)

As usual the College has provided facilities to the Post-graduate students who have registered for higher degrees and Diploma courses of Bombay University and the College of Physicians and Surgeons, Bombay. This training course of Laboratory Technicians was conducted and candidates were admitted for this course. Nine candidates who were admitted to this course in August 1959 were examined and declared qualified.

In the year 1959, the number of admissions to this College was increased from 120 to 150. To facilitate the under-graduate teaching the applications for recognising all the remaining Units at G. T. Hospital and all the Units at St. George's Hospital for under-graduate and post-graduate teaching were made to the University and the University has recognised the Units at G. T. Hospital for under-graduate teaching.

The following special departments are functioning at the allied J. J. Group of Hospitals:—

1. Cardio Thoracic.
2. Neurology.
3. Neuro-Surgery.
4. Plastic-Surgery.

The Pediatric Department is upgraded with the help of World Health Organisation. The department is expanded and developed very substantially.

The Family Planning Centre is attached to this college under Public Health Scheme and was working satisfactorily during the year.

The Eye Bank and Diabetic Clinic Centre, were opened at the allied J. J. Group of Hospitals, Bombay, by the Chief Minister of Maharashtra State.

The non-recurring grant of Rs. 1,53,394 was sanctioned and utilised fully for purchase of equipments for the department of Physiology, Pharmacology, etc. A non-recurring grant of Rs. 14,025 was also sanctioned for purchase of books of Central Library of this college and was fully utilised.

The new building of the allied J. J. Group of Hospitals was nearly completed during the year under report. The building for the Post-graduate Laboratory was also in progress.

Statement E

Statement showing the particulars of the research work continued or started fresh during the year 1960

Serial No.	Research work undertaken	Name and educational qualifications of the persons who conduct the research	Duration of the research scheme	Name of the body which provided finances
(1)	(2)	(3)	(4)	(5)
		OLD SCHEMES —*cont.*		
		Pathology Deparmtnet		
1	Enquiry on Schistesemissesis	Dr. R. K. Gadgil, M.D., Professor of Pathology, Grant Medical College, Bombay and Pathologist J. J. Group of Hospitals, Bombay.	Since 1953	Indian Council of Medical Research.
2	Polio Research Unit	Dr. P. V. Gharpure, M.D., F.C.P.S., D.T.M., Emeratus Professor of Pathology, G. M. College, Bombay.	Continued since 1950.	Do.
		NEW SCHEMES		
		Physiology Department		
1	Work on "Some aspects of B.M.R. in Indians"	Dr. D. M. Telang, M.D., B.Sc., Professor of Physiology, G. M. C. Bombay.	1960	Government of Maharashtra.
2	Work on "Effects of certain substances of Physiological interest on cooled isolated tissues".	Dr. V. G. Ranade, M.B., B.S., M.Sc. (Med.) Lecturer in Physiology, G. M. C. Bombay.	1960	Do.
3	Work on "Observations on the Blood pressure in the two arms".	Dr. V. G. Ranade, M.B., B.S., M.C. (Med.) and M. G. Gogate, M.B., B.S., M.Sc., (Med.) Lecturers in Physiology GMC., Bombay.	1960	Do.

		Pathology Department		
4	Isolation and Identification of fungi with special reference to respiratory infection.	V. J. Thadani, B.Sc., Post graduate student for M.Sc., (Micro.)	1960	Do.
5	Serological survery to determine the incidence of entereviruses.	John Lapas, B.Sc., P. G. Student for M.Sc. (Micro.).	1960	Do.
6	Indentification of Entrevirus stains isolated from human focus.	Ku. Baldeo Kour, B.Sc., P. G. Student..	1960	Do.
7	Viability of entereviruses in viveand vitre..	Shri Sammual Gegore, B.Sc., P. G. student.	1960	Do.
		Pharmacology Department (Fundamental or academic Research)		
8	Effect of drugs on gastric secretion.. ..	Dr. B. B. Gaitonde, M.D., M.Sc., Professor of Pharmacology, G. M. C., Bombay.	1960 (work in progress)	Do.
9	A method for Bio-essay of acetyloheline on tracheal chain preparation of rabbit.	Dr. B. B. Gaitonde, M.D., M.Sc., professor of Pharmacology, and Shri N. L. Sadare, M.B., B.S., Jr. Lecturer in Pharmacology, GMC., Bombay.	Do.	Do.
10	A comparative study of synthetic articho linergic drugs on the bronchial muscle and histamine stimulated acid gastric secretion of rat.	Dr. B. B. Gaitonde, M.D., M.Sc., (Med.), Professor of Pharmacology, G. M. C.	1960 (work is in progress).	Do.
11	Effect of some of the hypotensive drugs on blood coatulation factors.	Do. do. ..	Do.	Do.
		Clinical Research		
12	Clinical study of anthelmintic drug s ..	Do. do. ..	1960	Do.
13	Clinical trials of new sulphanamides ..	Do. do. ..	1960 (work is in progress)	Do.

Statement E—*cont.*

Serial No.	Research work under taken	Name and educational qualifications of the persons who conduct the research	Duration of the research scheme	Name of the body which provided finances
(1)	(2)	(3)	(4)	(5)
14	Protein Malnutrition on children suffering from chronic malnutrition.	Dr. B, B. Goitonde, M. D. M. Sc. (Med.)Professor of Pharmacolgy G. M. C. (Work is in Progress)	1960	Government of Maharashtra.
		Obstetrics and Gynaecology Department		
15	Evolustion of X-Ray pelvimentary and cephatometry in 200 cases of contracted pelvis.	Dr. (Smt.) J. M. Dêsa Souzam, M.D., F.R. C.S.E., Professor of Obst. and Gyn.	1960	Do.
16	Symphysiotomys	Do. do. ..	Do.	Do.
17	A preliminary report on Niamid	Do. do. ..	Do.	Do.
18	Leucerrhoe of Vaginal Origin—effect of a drug with the following combination— (*i*) Diodoguin, (*ii*) Lactese, (*iii*) Nareunic salt, (*iv*) Borax.	Dr. O. J. Shah, M.D., FRCS., Teacher in Obst. and Gyn., G. M. C. Bombay.	1960	Do.
19	Effect of andregen on cases of Metropathia Haemorrhagiea, Drug contains :— (*i*) Testestorene Propriemate 25 mgm. (*ii*) Testesterane Hexahydrobensoats 25 mgm.	Do. do. ..	Do.	Do.
20	Case reports on Conjoined twin Tharaco-phaguz.	Dr. T. P. Shah, M.D., FRCS., Tutor in Obst. and Gyn., G. M. C. Bombay.	Do.	Do.
		Ophthalmology Department		
21	Study of use of zonulysin in different age groups in caterac surgery.	Dr. H. D. Dastoor, DOMS., D.O., (Lond.) Professor of Ophthalmology, G. M. C.	Do.	Do.

22	Modified iridenclasis operation in glacoma surgery especially in Juvianila glaucoma.	Do.	do. ..	Do.	Do.
23	Temisis Operation in Ratinitis Pigmentosa	Do.	do. ..	Do.	Do.
		Skin Department			
24	The effect of Hydrocortisone injections in Neural Leprosy.	Dr. J. C. Shroff, M.B., B.S., DVD., Lecturer in dermatelogy, G. M. College, Bombay.		Do.	Do.
		Tuburculosis Department			
25	Rudanti-Clinical trial on tuberculous patients.	Dr. M. D. Deshmukh, M.R.C.P., T.D.D., Lecturer in Tuberculosis, G.M.C., Bombay.		1960	Do.
26	Ante-natal survey of 2000 Chest X-Ray of pregnant women attending the cama and B. M. H. Hospital.	Do.	do. ..	Do.	Do.
27	Talbutomide-trial in tubercular diabetics ..	Do.	do. ..	Do.	Do.
28	Isebensacyl trial	Do.	do. ..	Do.	Do.
29	A. P., P. A., Lardostic X-Rays and their importance in diagnosis of pulmanary tuberculosis.	Do. Do.	do. .. do. ..	Do. Do.	Do. Do.
		Paediatric Department			
30	Studies of various disorders in infancy and childhood.	Dr. P. M. Udani, MD., DCH., Professor of Paediatrics, GMC, Bombay.		Do.	Do.
31	Bacteriological studies of cases in Diarrhoea	Do.	do. ..	Do.	Do.
32	Myocardisics in children	Do.	do. ..	Do.	Do.
33	Intracranial Tuberculema in children ..	Do.	do. ..	Do.	Do.
34	Thalassemia in Children	Do.	do. ..	Do.	Do.

Statement E—cont.

(1)	(2)	(3)	(4)	(5)
35	Tuberculous Encephalapathy	Dr. P. M. Udani, M. D. D. C. H., Professor of Paediatrics, G. M. C., Bombay	1960	Government of Maharashtra.
36	Studies on Fibrocystic diseases on Panorssus	Dr. B. D. Patel, MD., DCH, Lecturer in Paediatrics, GMC., Bombay.	Do.	Do.
37	Clinical studies of cirrhosis of liver ..	Do. do ..	Do.	Do.
38	Annem in infants in childhood	Do. do. ..	Do.	Do.
39	Studies of Lysin in Malnutrition	Do. do. ..	Do.	Do.
	Anatomy Department			
40	Study of effects of glucose on the development of chick-enpyyo.	Dr. S. P. Karanna, M.Sc., (Med.), Lecturer in Embryology, GMC., Bombay.	Do.	Do.
41	A case of Diaphragmtic Hernia on the left side in a cat, detected accidently being studied.	Do. do. ..	Do.	Do.
42	Development and age changes of the Interpharangoal Joints.	Dr. V. K. Kharabanda, M.B., B.S., M.Sc., (Med.), Lecturer in Anatomy, GMC., Bombay.	Do.	Do.

GRANT MEDICAL COLLEGE, BOMBAY

ANNUAL REPORT FOR THE YEAR 1960

List of papers published by the members of teaching staff, Grant Medical College, Bombay.

Physiology Department :

1. "Physiological Aspects of Diabetes Mellitus"—Dr. D. M. Telang at a Symposium on Diabetes Mellitus at Silver Jubilee, Bombay Territorial Branch, Indian Medical Association—February 1960.

2. "A note on some Observations on the Smooth Muscle of the Frog"—V. G. Ranade, Jouri J. J. Group of Hospitals and G. M. C., Vol. V, January 1960, 39.

3. "Nuclear Sexing"—M. G. Gogate—read before Physiological Society, G. M. C., January 1960.

4. "A Simple Automising Spray for Chrotographic Work"—B. P Chakravarti—read before Physiological Society, G. M. C., Bombay August 1960.

5. "Physiology of Speech"—G. S. Rath—read before Physiological Society, G. M. C., November 1960.

Pathology Department :

1. Preliminary report on the use of radioactive isotopes—J. Ass. Phys. Ind., U. S., 483, 1960—Professor R. K. Gadgil, Dr. R. S. Sharma.

2. Haematological and plasma protein studies in Healthy Indian Children—Ind. J. Med. Sc, 14, 954, 1960—Prof. R. K. Gagdil, Dr. R. S. Sharma.

3. Anaemias of Infants and Children—Ind. J. Child Health : 9, 1, 1960—Prof. R. K. Gadgil, Dr. R. S. Sharma.

4. Organs Palpable in normal adult abdomen.—Ind. J. Med. Sc.—Prof. R. K. Gadgil, Dr. S. H. Mansukhani.

5. Observations on the staining teachiques employed in study of exfoliative cytology—Jr. of obsterics and gynaecology, Sept. 1960—Prof. R. K. Gadgil, Dr. S. H. Mansukhani.

6. Evaluation of vaginal cytology for estimation of hormonal function—Jr. of Obst. & Gync., Sept. 1960—Prof. R. K. Gadgil and Dr. S. H. Mansukhani.

7. Endomentrial Diopsy and vaginal cytology as diagnostic aids—Prof. R. K. Gadgil, Dr. S. H. Mansukhani, Jr. of Obst. & Gync., Dec. 1960.

8. Serum lipid pattern in Health—Ind. Jr. of Med. Sc. ,1960—Prof. R. K. Gadgil, Dr. (Mrs.) J. K. Dave.

9. Serum lipid pattern in coronary Artery Disease—Ind. Jr. Med. Sc., Oct. 1960—Prof. R. K. Gadgil, Dr. (Mrs.) J. K. Dave.

10. Serum enzyme studied in Acute mycardial infarction—J. of J. J. Group of Hospitals and Grant Medical College, Vol. 4, No. 4, Oct. 1960—Prof. R. K. Gadgil, Dr. (Mrs.) J. K. Dave.

11. Serum Transaminase levels in Hepaobiliary Disease—Ind. Jr. Med. Sc., July 1960—Prof. R. K. Gadgil, Dr. (Mrs.) J. K. Dave.

12. Primary carcinoma of liver—Jr. of J. J. Group of Hospitals and Grant Medical College, Bombay, Prof. R. K. Gadgil, Dr. (Mrs.) J. K. Dave, Vol. No. 2, April 1960.

13. Stroke following non-tranmatic ecculsion of the internal carotid and arteries—Ind. J. Med. Sc., June 1960—Prof. R. K. Gadgil and B. N. Joshi.

14. Tranmatic ecculsion of the internal carotid artery—Ind. J. of Surg., Oct. 1960—Prof. R. K. Gadgil and Dr. B. N. Joshi.

15 Abortion following haemmorrhaegic small-pox—Ind. Jr. of Obst. and Gynac., Dec. 1960—Prof. R. K. Gadgil and Dr. B. N. Joshi.

16. Pound worm induced absess of the liver with secondary perioarditis—Jr. of J. J. Group of Hospitals and Grant Medical College, Bombay —Prof. R. K. Gadgil and Dr. B. N. Joshi.

Paediatric Department :

Dr. P. M. Udani:

A. Indian Journal of Child Health—
Idiopathic Hypercalcemia.
Acute Fulminating Ketosis.
Neurological Manifestations of Kwashiorker
Autopay study of 100 children.

B. Acute staphylococcal enteritis—1960.

Dr. B. D. Patel:
Vitamin A estimation in children with warm investigation.

Dr. Kumbhat:

A. Double Aortic Arch with patent ductus arterisus.

B. Actiology of Diarrhoea (Bacteriologica Aspect) only.

Dr. M. M. Wagle

A. Convulsions in children—Maharashtra Medical Journal.

B. Follow-up studies of Chemoprephylaxix tuberculine positive children.

STATEMENT E-1

Showing the books available subjectwise.

1. Total number of books and journals available at the end of the year 1960—18,133.
2. Total number of books issued during the year—34,799.
3. Total number of persons who made use—1,234.

Subject	Total number of books available	Total number of journals available	Grand Total
(1)	(2)	(3)	(4)
1. Anatomy	770	265	1,035
2. Physiology	762	826	1,588
3. Preventive and Social Medicine.	635	279	914
4. Pharmacology	537	46	583
5. Surgery	1,527	519	2,046
6. Obstetrics and Gynaecology	499	144	643
7. Paediatrics	324	318	642
8. Forensic Medicine ..	134	209	343
9. Pathology	1,273	212	1,485
10. Veneral Diseases	152	49	201
11. Medicine	2,223	2,023	4,246
12. Tuberculosis	184	12	196
13. Ophthalmology	380	83	463
14. E. N. T.	184	28	212
15. Anaesthesia	146	36	182
16. Dermatology	149	69	218
17. Psychiatry	339	157	496
18. Radiology	166	151	317
19. Miscellaneous	2,074	249	2,323
Total ..	12,458	5,675	18,133

During the year 1960, 374 books and journals were added to the library. 34,799 books were issued to the readers. 1,234 students and members of staff of the college and allied hospitals took advantage of the library. The library takes part in inter-library loans of books and journals among the libraries in Bombay and throughout India.

STATEMENT F

Showing the income and expenditure statement for the year 1960.

Income		Expenditure	
	Rs.		Rs.
(*a*) Government grants	12,61,590	Pay of establishment ..	9,36,584
Income on endowments ..	20,150	Purchase of laboratory equipments.	88,057
Income from fees.. ..	3,76,984	Other expenditure	1,00,791
Other sources	26,235		
(*b*) Average expenditure per student during the year.	1,524		
(*c*) Average excess expenditure over receipts per student during the year.	..		
		Total ..	11,25,432

(*f*) Annual Government grants—	Capital	Recurring Rs.	Non-recurring Rs.
(a) Library .. ,, ...		10,000	14,025
(b) Equipment ,, ...		31,500	1,53,394
(c) N. C. C. and Allied articles ,,		..	..

STATEMENT G

Showing the details of endowment Scholarships and Prizes, etc.

Name of the endowment scholarship	Amount of Sch. p. m.	Name of the student to whom awarded	Whether on mer or financial condition
A. College		Statement "A" attached.	
B. University fees, scholarships available for the student of the college.		Statement "B" attached.	
C. Government (Merit Scholarship of Director of Education).	Discontinued at the professional colleges.		
D. Government (B. C. Scholarship by Director of B. C.).	Statement "C" attached.		
E. Government (by Government of India—S. C., S. T.).	Statement "C" attached.		
F. Government (by S. G. to Lady Students).	Not awarded.

Free studentship to the students having their parents income or guardian's income below Rs. 1,200—6. Free studentship to the students belonging to Scheduled Caste and Scheduled tribe students on declaration Caste basis—12.

A short note on working of B. J. Medical College, Poona, during the period under report

With the beginning of the academic year 1960-61, the College entered its fourteenth year.

Dr. B. M. Desai, M.S., F.C.P.S. and Dr. C. L. Modi, F.R.C.S., held the charge of the post of Principal and Dean for the year under report.

The College is affiliated to the University of Poona for teaching courses of study leading up to the Third M.B,.B.S., Examination. The College has also been recognised for the M.D. and M.S. and M.Sc. (Medical) Examinations of the Poona University and for the F.C.P.S. and other Diplomas of the College of Physics and Surgeons of Bombay.

The laboratory Technician course was held mainly with a view to train candidates for Laboratory Technicians posts at the Civil Hospitals in this State. The course is of 12 months' duration and the minimum qualification for admission to this course is the Inter Science with Physics and Chemistry as principal subjects. Four candidates were undergoing the training and were being paid at Rs. 50 per month as a stipend while under training.

The Inspection Committee of the Poona University inspected this College on 10th June 1960 in connection with the increase in the admission from 100 to 150 and Committee recommended the increase in the admissions from 100 to 150. Accordingly 150 students have been admitted from June 1960.

The Government has sanctioned the following posts in addition to the previous staff due to increase in the admissions —

Serial No.	Designation	Number of posts
1	Lecturer in Anatomy	1
2	Lecturer in Physiology	1
3	Junior Lecturer in Anatomy	4
4	Junior Lecturer in Physiology	7
5	Junior Clerk	1
6	Laboratory Assistant (Anatomy)	1
7	Laboratory Assistant (Physiology)	1
8	Dissection Hall Attendant	2
9	Servants	2

The above mentioned posts have been filled in, except 4 posts of Junior Lecturers (3 posts of Jr. Lecturer in Physilogy and 1 post of Jr. Lecturer in Anatomy).

Due to increase in the admissions the grant of recurring and non-recurring expenditure as follows has been granted by the Government of Maharasthra during the financial year :—

	Rs.
Recurring expenditure contingencies	60,000
Non-recurring expenditure equipment	66,700

Government also sanctioned an amount of Rs. 93,000 to the purchase of equipment for the Anatomy and Physiology departments of this College.

The following major and minor building works have been administratively approved by Government during the year 1960 —

	Rs.
1. Providing additions and alterations to Electric Installation at the B. J. Medical College, Poona (separate meters for Gymkhana and N. C. C. Portion).	426·00
2. Providing additional pumping set in students hostel block C at B. J. Medical College, Poona.	3,133·00
3. Providing additions and alterations to Electirc Installations in the B. J. Medical College, Poona.	2,330·00

The Family Planning Centre has been started fuctioning from the February 1960 in the premises at B. J. Medical College and Sassoon Hospitals Poona, with the following staff —

1. Lady Doctor (Full-time).
2. Male Doctor (Part-time)
3. Social Worker.
4. Class IV servant.

Activities of the Institutions——

All India Surgeons' Annual Conference was held in the premises of the B. J. Medical College, Poona, in the month of December 1960 It was attended by many of the eminent Surgeons and personalities in the Medical field in the country and outside.

The Medical Exhibition was held in the month of December 1960 for a period of 15 days and was inaugurated by the Chief Minister Shri Y. B. Chavan.

B. J. MEDICAL COLLEGE AND SASSOON HOSPITALS, POONA

Statement H

Showing the particulars of full and partial freeships awarded during the year 1960.

Total number of students on the roll	Figures of total number of freeships available		Figures of total number of freeships actually awarded	
	Full	Partial	Full	Partial
(1)	(2)	(3)	(4)	(5)
613	61	91	*61	9

*In accordance with the Government orders 10 per cent. of the total number of students on the rolls are granted full freeships, the holders of which are exempted from payment of full amount of tuition fees only and 15 per cent. of the total number of students on the rolls are granted partial free studentship, the holders of which have to pay the tuition fee at Rs. 201 p. a. instead of Rs. 350 p. a. During the year under report there were 61 full freeships and 91 partial freeships available. 61 full freeships were awarded during the year under report. Of these 61 freeships 5 were suspended during first term of 1960-61 and 20 were suspended during second term of 1960-61. Out of the 9 partial freeships 1 was suspended during the first term and 2 were suspended during the second term of 1960-61.

On account of the grant of above concessions, Government have to suffer a loss of Rs. 18,092·50 during the year under report.

A note on the working of the Medical College, Nagpur, for the year 1960 (1st January to 30th April 1960 and 1st May to 31st December 1960)

The 14th Academic Session commenced from 1st July 1960 and ended on 15th April 1961. 150 students have been admitted, out of whom 15 per cent was reserved for Scheduled Castes and 15 per cent for Scheduled Tribes. Besides this three seats were reserved for Government of India Nominees. Since July 1960, the Aurangabad Medical College students ceased to come as clinical teaching had started there. There were in all 822 students on the rolls during 1960, out of this 281 appeared for the Final M.B.B.S. examination and 116 passed.

The College affiliated to the Nagpur University, trains students through four and a half years, leading up to the M.B.B.S. examination. The students take the First M.B.B.S. after 1½ years of Anatomy and Physiology and allied subjects; the Second M.B.B.S. after 1½ years with Pathology and Bacteriology, Pharmacology and Forensic Medicine; and the Final M.B.B.S., after 1½ years, when the students are trained in Medicine, Surgery, Midwifery and Gynaecology, Ophthalmology and Preventive and Social Medicine.

There is one year's post-examination pre-registration internship period, after which a regular student gets his M.B.B.S. Degree after 5½ years. He then proceeds for post-graduate degrees of Universities in different subjects, which can be acquired after three years at the shortest. The examinations include M.D., M.S., M.O., M.Sc. in various subjects. D.O. and M.S. in Ophthalmology, M.C.H. in Plastic Surgery and D.G.O. and D.A.

From June 1960 the College admission has increased from 120 to 150 The yard-stick for admission strictly is merit.

A 895-bedded Hospital is attached to the College in which all modern facilities exist.

The Dean is advised in the internal management of College by a College Council consisting of Heads of different Departments of this College.

In the internal administration of the Hospital the Dean is advised by the Hospital Advisory Board consisting of Heads of Clinical Departments The Deputy Superintendent acts as the Secretary to the Board.

There were 26 paid and 26 unpaid posts of House Officers last year 16 unpaid posts have been converted into paid ones and 42 House Officer are now entertained as from 1-2-61, as per recent Government orders. A proposal for extra House Officers is under consideration of the Government.

20 per cent of the posts have been reserved jointly for Scheduled Castes and Scheduled Tribes.

The Staff for additional admissions sanctioned at this College for non-clinical Departments have been appointed. Additional Staff for Clinical Departments is also being entertained.

There are three Hostels with 120 seats in each for Men Students, and one wing of the Nurses Quarters is used as Hostel for Women Students (about 90). Accommodation for Hostel students needs to be increased. A provision for construction of additional Men Students Hostel has been sanctioned, but the work is held in abeyance for want of technical sanction. The Internee students now are allowed to find their own accommodation and are paid Rs. 50 in lieu of it.

A Prosthetic Dental Clinic has been started in the year 1958 during the 2nd Five-Year Plan. A Dental College is in the offing at Nagpur in the 3rd Five-Year Plan.

We entertain the following staff for pre-clinical and non-clinical subjects :—

(1) Professor.

(2) Two Readers.

(3) Five Junior Lecturers.

Since the number of admissions is increased we have had to add to the staff in accordance with the standards laid down by the Indian Medical Council. For Clinical subjects like Medicine, Surgery, Midwifery, we have a Professor, a Reader and a Junior Lecturer that constitute three Units, in each major subject. The ward work is mediated by Resident House Officers, Registrars, Casualty Medical Officers and Resident Physician, Surgeon and Obstetrician. All the Hospital staff is accommodated in special quarters provided in the premises of the Hospital.

A considerable amount of research is done last year by the members of the Staff singly or in collaboration with the Indian Council of Medical Research.

The College has full-fleged departments of Anatomy, Physiology, Social and Preventive Medicine, Pharmacology, Forensic Medicine and Pathology. All these have Museum of their own and possess modern equipment in their respective Departments.

Changes in the staff.—Dr. R. S. Grewal who had been on study leave abroad has assumed charge of Professor of Pharmacology.

Dr. A. M. Sur, Reader in Paediatrics, returns from study tour in 1960 and has assumed charge of an independent Paediatric Department in September 1961.

Dr. (Kum.) A. Chakravarti, Junior Lecturer in Paediatrics, has returned from study leave from Sweden and has taken charge as Junior Lecturer in Paediatrics.

Dr. P. S. Vaishwanar returned from study abroad from U. S. A. in December 1960.

Students' Association.—A Students' Association organised by the student themselves exists to manage and control their various extra-academics and social activities under the guidance of a member of the staff nominated by the Dean who is responsible to the Dean for all the activities, stores, accounts, etc., of the Association.

The College Library has 11,643 Books and about 200 Journals on the standing subscription list of this College Library.

A Budget provision of Rs. 34,04,531 was sanctioned during the financial year 1960-61 under different items.

The following training programmes are also conducted within the precincts of the College :—

(1) Post-graduate degree M. C. H. in Plastic Surgery is instituted.

(2) Training for the University Departments of Pharmacy.

(3) The Occupational Therapy School has been started in 1958. Two-year's course is conducted. Last year 18 candidates appeared for examination out of which 11 candidates passed and 7 failed.

(4) Last year 5 candidates for Laboratory Technician's course and 5 candidates for X-Ray Technician's course were admitted. All have passed and gained employment in different Hospitals of the District.

(5) A Leprosy Training Course for six weeks exists at this College. Last year in all 43 trainees were trained.

APPENDIX 'A'

Distribution of Beds

Name of Departments	Number of Units	Total number of beds provided for teaching
(1)	(2)	(3)
Medicine	3	162
Surgery	3	168
Obstetrics and Gynaecology	3	162
Ophthalmology	2	54
E. N. T.	1	9
Skin and V. D., Infectious Diseases ..	1	50
Tuberculosis	..	150
Leprosy	1	25
Paediatric (Children)	1	54
Psychiatry (Mental)	Nil	Nil
Dental Plastic Surgery	Nil	Nil
Plastic Surgery	1	39
Casualty Department	..	6
Paying ward	..	16

Statement B

Particulars of Teaching Staff attached to the Medical College, Nagpur.

(1-1-60 to 30-4-60)

Short Note on the Working of the Medical College and Civil Hospital, Aurangabad

During the year under report the following two features have taken place :—

(1) There has been an increase in admission by 10 seats more. Originally the sanctioned number of students to be admitted was 50 and it was raised to 60.

(2) The second feature was that the clinical courses were started at this college. Since Hospital facilities were not available for the students, students for clinical courses were being sent to Medical College, Nagpur. In order to solve this difficulty, a barrack type Hospital was built as temporary measure till the main Building of the Hospital is completed. A total number of 250 beds was made available including the beds of old Civil Hospital. The Out-Patient Department has also been started functioning in barrack type Hospital.

The departments of Pharmacology, Pathology and Preventive and Social Medicine have been shifted to the temporary laboratory buildings constructed adjacent to the barrack type Hospital. These are working satisfactorily though there is a acute shortage of space for equipment of the departments and to make free moving space available for the students and the staff working there.

The boys Hostel building was taken from the P. W. D. on 23rd February 1961 and immediately the students occupied it. The buildings of Lady students Hostel, animal House, Dean's Bungalow, Class II, III and IV quarters are nearing completion.

There has been a acute shortage of water-supply to the whole of the College and Hospital campus due to the fact that the main water pipe line of the Municipality is comparatively small to accommodate adequate water-supply. In order to have a full water-supply for this campus, a scheme is being worked out to have a special pipe line by putting an additional filter at the "Harsool" water storage tank which will be useful for both the College and Hospital campus and the Marathwada University campus.

This college participated in Inter-Collegiate and in Inter-University Tournaments.

One N. C. C. unit has also been raised at this college in the year 1960-61. Two officers from this college have undergone the necessary training and working as N. C. C. Officers in this Unit. In all 98 students have joined the N. C. C.

33	Dr. T. S. Khanna	15-9-59	M.B.,B.S. (Osm.) ..	11 months	..	Undergraduate teaching.	Resigned.

Statement B-1

Showing the number of teaching Posts filled in or vacant during the year 1960—(full time)

Designation of posts	Total No. of sanctioned posts	Number of posts filled in during the year with dates	Number of posts vacant
(1)	(2)	(3)	(4)
Dean	1		
Professors	7	(1) Dr. S. K. Dhar, 21st April 1960. (2) Dr. R. D. Lele, 28th May 1960. (3) Dr. N. M. Tiwari, 1st October 1960 (4) Dr. G. K. Chitale, 5th August 1960. (5) Dr. N. S. Deodhar, 6th October 1960.	1 post.
Assistant Professor of Obstetrics and Gynaecology	1	..	1 post.
Lecturers	16	(1) Dr. S. J. Ahuja, 27th July 1960. (2) Dr. A. L. Ketkar, 6th May 1960. (3) Dr. R. N. Shukla, 6th May 1960. (4) Dr. B. R. Solanki, 14th July 1960. (5) Dr. M. G. Nadkarni, 10th February 1960. (6) Dr. S. N. Tambaku, 22nd September 1960.	6 posts vacant and 4 posts transferred to Medical College, Nagpur.
Junior Lecturers	32	(1) Dr. V. N. Ingle, 2nd May 1960. (2) Dr. G. A. Jenurikar, 10th September 1960. (3) Dr. J. V. Deshmane, 24th August 1960. (4) Dr. M. L. Gandhe, 5th August 1960. (5) Dr. B. U. Padmwar, 6th December 1960.	18 posts vacant and 6 posts transferred to Medical College, Aurangabad.
Senior Radiologist	1	..	1 post.
Assistant Radiologist	1	..	1 post.
Demonstrator	1	..	1 post.
Part-time—			
Demonstrator	1		

Statement B-2

Showing the transfer, resignation, etc., of the staff during the year 1960

Designation of the post	Name of the Officer transferred or resigned, etc.	If transferred please state to which college and whether on promotion	Whether the vacancy is filled, if so, date on which the same is filled
(1)	(2)	(3)	(4)
1. Professor of Physiology ..	Dr. M. G. Amin ..	Allocated to Gujrat	21st April 1960.
2. Professor of Pathology.. ..	Dr. B. B. L. Mathur ..	Do. ..	5th August 1960.
3. Lecturer in Anaesthesia ..	Dr. R. K. Pradhan ..	Transferred to Nagpur	Not yet.
4. Lecturer in Physiology ..	Dr. B. N. Muzumdar ..	Allocated to Gujrat	6th May 1960.
5. Junior Lecturer in Anatomy ..	Dr. Mohd. Nawaz ..	Proceeded on long leave for higher studies.	Not yet.
6. Junior Lecturer in Anatomy ..	Dr. S. J. Ahuja ..	Promoted as Lecturer at this college as Lecturer in Embryology.	Not yet.
7. Junior Lecturer in Physiology	Dr. S. N. Deshpande ..	Proceeded on long leave for higher studies.	Not yet.
8. Junior Lecturer in Biochemistry	Dr. B. V. Hatwalne ..	Deputed abroad for higher studies ..	Not yet.
9. Professor of Preventive and Social Medicine.	Dr. D. W. Soman ..	Services terminated	6th October 1960.
10. Professor of Pharmacology ..	Dr. J. H. Balwani ..	Deputed abroad for higher studies ..	1st October 1960.
11. Lecturer in Anatomy	Dr. P. N. Dubey ..	Do. ..	22nd September 1960.
12. Demonstrator in Anatomy (Part-time).	Dr. T. S. Khanna ..	Resigned	Not yet.

	Full	Partial	Full	Partial
(1)	(2)	(3)	(4)	(5)
171	17	25	5*	..

*In accordance with the Government orders 10 per cent of the total number of students on the rolls full freeships were to be awarded, but only five students applied for the same and all were eligible and granted. All these students have been exempted from the payment of tuition fees (Rs. 150 per annum).

On account of the grant of above concessions, Government have to suffer a loss of Rs. 75 during the year under report.

SIR C. E. M. DENTAL COLLEGE AND HOSPITAL, BOMBAY

Short Note on General Administration, 1960

During the year the college admitted 75 students for regular B. D. S. course. The students were admitted to condensed B. D. S. course. The admissions were also made to the Dental Mechanic Course.

The M. D. S. course in the subject of Prosthetic, Orthodontia, Periodontia and Operative Dentistry were continued during the year and 10 new graduates were admitted for the course during the year.

During the year under report the foundation stone of a new building to house the Sir C. E. M. Dental College and Hospital, Bombay and the post-graduate departments, was laid down by the Honurable Chief Minister for the State of Maharashtra on the 26th March 1960 in the compound of the St. George's Hospital, Bombay.

The work of construction of the new building for the Sir C. E. M. Dental College and Hospital, in the compound of the St. George's Hospital, progressed well during the year.

Two full-time members of the staff have been deputed abroad by Government for higher training.

The scheme of imparting practical training in Dentistry for a period of one month to Medical Officer I/c. Primary Health Centres in the State of Maharashtra and Gujarat was introduced from 15th July 1960 and during the period under report 20 Medical Officers have received training.

All the Dental Department worked in full-swing during the period and the number of patients taking advantage of the various facilities for dental treatment was on the increase.

The Evening Dental Clinic attached to the Hospital has proved a boon to the office-going and other employees as it affords treatment at the time convenient to them and hence has become very popular.

Besides Dental students, the students of the Grant Medical College were imparted theoretical and clinical instructions during the year.

Final	April 1960	..	..
Do.	October 60	5	4

Statement E

Showing the Particulars of Research Work Continued or Started Fresh during the year

Serial No.	Research work undertaken	Name and educational qualification of the persons who conducted the research	Duration of the research scheme	Name of the body which provided finance
(1)	(2)	(3)	(4)	(5)
1	Old scheme continued. New schedule undertaken— (*a*) Research Projects undertaken and completed: (*i*) Restitution of Bone defects in cleft-lip and palate; Early Surgery and Orthodontia (In collaboration with Professor C. Balakrishnan of Nagpur). Original work of basic and clinical importance. (*ii*) Evalution of Key Ridge in Skulls and Cephalographs-Basic. (*iii*) Supernumerary teeth amongst 2,000 Orthodontia cases—Survey (Co-worker Miss R. R. Parry).	(V. S. Iyer).		

Statement—E

Serial No.	Research work undertaken	Name and educational qualification of the persons who conducted the research	Duration of the research scheme	Name of the body which provided finance
(1)	(2)	(3)	(4)	(5)
	(*iv*) Reaction of Gingiva to Orthodonitic force-Clinical (Combine effort of Department, written up by me).			
	(*v*) Acceptable deviations in normal dentition—a basic survey with clinical implication—(Co-worker Shri D. M. Desai).			
	(*vi*) Constant evaluation of Teaching Orthodontia especially to undergraduates-Educational-(Combined effort of department, written up by me as "Adequate undergraduate Orthodontic education".			
	(*b*) (*i*) Effect of phenothiazines on esidrex induced diure is in saline hydrated rats.			
	(*ii*) Effect of phenothiaziences on pentobarbital induced anesthesis in rats and pigeons.			
	(*iii*) Effect of phenothiazienes on eptinephrine induced hyperglycemia in rabbits.	(N. M. Tiwari)		
	(*c*) (*i*) Observation on Blood pressure.	(J. R. Makhija)		
	(ii) Chromic period of Silvio.			
	(*d*) (*i*) Manufacture of Amalgam alloy.	(S. L. Shah)		
	(*e*) (*i*) Mesio-distal dimensions of anterior teeth amongst Indian patients.			
	(*ii*) A study of archforms in dedentulous Indian patients.	(M. A. Malaowalla)		
	(*f*) (*i*) Mesio-distal dimensions of anterior teeth amongst Indian patients.			
	(*ii*) A study of archforma in Edentulous Indian patients.			
	(*iii*) A study of ridgeforms in Edentulous Indian patients.			
	The following subject has been undertaken :—			
	(*iv*) Possibility of manufacture of Investment material.	(Y. J. Ladak)		
	(*g*) (*i*) Mesio-distal dimensions of the anterior teeth amongst Indian patients.			
	(*ii*) A study of 10888 edentulous archforms.			
	(*iii*) A study of 10397 dentulous ridgeforms.			
	(*iv*) A study of the "Prosthetic management of 10 cases with excessive proclination of the anterior teeth complicated with shork upper lip" is nearing completion.			
	(*v*) Three cases of maxillofacial prosthesis have been completed in the department.	(T. M. Udani)

DEPARTMENT OF NUTRITION, GOVERNMENT OF BOMBAY

A short review on work done, during January—April 1960.

During the short period under review, the several activities of the Department have been satisfactorily continued.

The Department has been collaborating with the Haffkine Institute in research programmes and offers training for M.Sc. and Ph.D. degrees in Experimental Pathology and Biochemistry. Three research enquiries, sponsored by the Indian Council of Medical Research, Indian Council of Agricultural Research and Council of Scientific and Industrial Research, are continued.

Besides, the staff of the Department have participated in the teaching and training programmes sponsored by different organisations, in nutrition and dietetics.

The problems undertaken for investigation in the laboratory have a direct bearing on present-day practical nutritional problems. Mention may be made of the chemical and biological evaluation of foodstuffs commonly consumed in the State. This work is of fundamental improtance—both for computing therapeutic diets as also in working out balanced diets for various economic groups. Intensive studies are also made to evaluate the quality of proteins supplied by green leafy vegetables.

The '*Nutrition Clinic*' at the J. J. Group of Hospitals, Bombay, continues to offer consultative service in respect of patients referred by the other units of the Hospital, apart from undertaking research studies on clinical nutritional problems, commonly met with. At present, studies are under way to assess the relative values of protein and iron therapy in anaemic conditions encountered in malnourished individuals.

Some problems of clinical importance have been taken up for studies in collaboration with the physicans in J. J. Group of Hospitals and the Wadia Hospital for Children. A high incidence of Megaloblastic Anaemia has been reported amongst police constables in the city. Cases of infantile rickets are commonly met with in paediatric practice. Dietary Investigations into these clinical conditions are now in progress.

There is an increasing recognition amongst social organisations workers at present to include nutritional studies in Community Development Projects.

A diet and nutrition survey has recently been commenced in a Muslim community, at Chowki Mohella, Undria Street, Nagpada, Bombay, in collaboration with the Department of Social Service of the Y. M. C. A., Bombay.

The periodical clinical check-up of primary school children, commenced in 1956-57, has been completed recently. This was in connection with a scientific evaluation of a feeding programme (*vide* Nutritions *Chikki*: 1 ounce, and 'Toned' Milk: 6 ounces) in selected Bombay Municipal Primary Schools. A summary report, including the main conclusions is incorporated as an Annexure.

The data collected in the previous years on the field studies on Maternal and Child Nutrition is being treated statistically during the period.

The study and improvement of diets in Government Hospitals have been one of the main activities of the Department. The recommendations made by the Department for T. B., Mental and Leprosy patients have been accepted by the Government and introduced in the various State Hospitals, surprise check have been continued in the various Hospitals in the State including Bombay City. These visits have been helpful to the hospital authorities to overcome the practical difficulties experienced by them.

Three exhibitions have been arranged during the period.

A Technical Report on the nutritional studies in a Community Development Block of Dharwar District (formerly in the pre-reorganised Bombay State), has been published, during the year. The results of this composite study could be utilised in planning welfare measures in any rural area of the country, undergoing planned development.

The demand for the publications of the Department, especially the illustrated brochure 'Road to Good Nutrition' and the 'Diet Manual, continued during the period.

The UNICEF Skim Milk Distribution Schemes in the State continued to make good progress. The Chief of the Department has been the State Liaison Officer since the very inception.

Scientific and Technical Experts representing various national and international organisations and institutions continued to visit the Department, during the period.

Apart from the appreciation of the work carried out by the Department both in fundamental and applied Nutrition, these visits from distinguished persons have been a source of inspiration and encouragement of the staff.

DEPARTMENT OF NUTRITION, GOVERNMENT OF MAHARASHTRA, BOMBAY.

A short review on the work done, during May—December 1960.

A event of great significant took place during the year the State of MAHARASHTRA was inaugurated on 1st May 1960. The enlarged Bombay State was divided into the States of MAHARASHTRA and GUJARAT.

The Department of Nutrition has been retained in its entirety in the new States of Maharashtra. This has been a very fortunate decision, as the Department is still in its development stages and yet to attain its full stature.

The Department has completed a decade of its existence. From a small beginning in the year 1949, the activities of the Department have gradually increased in the various aspects of human nutrition. It is gratifying to note that there is an all round recognition of the progress made, specially in the field of Applied Nutrition. The Department is considered as a model Nutrition Unit, both in this country and abroad. Scientific experts representing various international organisations like the WHO, FAO and UNICEF have been visiting the Department and are impressed by the scope and the development of the work of the Department, especially in the field of Public Health Nutrition.

This is further evidenced by the fact that the Chief of the Department was specially invited as a panel member for discussion on the subject "Evaluation of Nutritional Status in Man" in the Fifth International Congress on Nutrition, held in Washington, U. S. A., in September, 1960. Prior to the International Congress, he has also participated in the Con. ference on 'Protein Needs', organised by the Food and Nutrition Board, National Research Council of the National academy of Sciences, U. S. A. Leading scientists from different parts of the world were invited for this conference, where our work on 'Fermented Foods' was presented. This work was well received, specially as it opens a new field of research into traditional foods of beneficial nutritive value.

The Department has been collaborating with the Haffkine Institute in research programmes and offers training for M. Sc. and Ph. D. degrees in Experimental Pathology and Biochemistry. Three research enquiries, sponsored by the Indian Council of Medical Research, Indian Council of Agricultural Research and Council of Scientific and Industrial Research, are currently undertaken in the Department.

Besides, the staff of the Department have participated in the teaching and training programmes sponsored by different organisations, in nutrition and dietetics.

The problems undertaken for investigation in the laboratory have a direct bearing on present-day practical nutritional problems. Mention may be made of the chemical and biological evaluation of foodstuffs commonly consumed in the State. This work is of fundamental importance—both for computing therapeutic diets as also in working out for computing thereapeutic diets as also in working out balanced diets for various economic groups. Intensive studies are also made to evaluate the quality of proteins supplied by green leafy vegetables. Studies on two such green leafy vegetables, *viz.*, *Amabdi* (*Hibiscus cannabinus*) and *Methi* (*Trigopella fornumgroecum*) has just been completed. Research investigations are also in progress to study the chemical composition of boiled, pasteurised and sterilised milks, with a view to ascertain whether commercial sterilistaion of milk affects in any way its nutritive value. In addition, the other research and routine activities, mentioned last year, are continued in the laboratory.

A useful wing of the Department is the 'Nutrition Clinic' at the J. J. Group of Hospitals, Bombay. The 'Clinic' has been organised not only to offer consultative service in respect of patients referred by the other units of the Hospital, but also to undertake research studies on clinical nutritional problems commonly met with. At present, studies are under way to assess the relative values of protein and iron therapy in anaemic conditions encountered in malnourished individuals.

Some problems of clinical importance have been taken up for studies in collaboration with the physicians in J. J. Group of Hospitals and the Wadia Hospital for Children. A high incidence of Megaloblastic Anaemia has been reported amongst police constables in the city. Cases of infantile rickets are commonly met with in paediatric practice. Dietary Investigations into these clinical conditions are now in progress.

There is an increasing recognition amongst social workers at present to include nutritional studies in Community Development Projects. An exhaustive diet and nutrition survey has recently been completed in Muslim community, at Chowki Mohalla, Undria Street, Nagpada, Bombay, in collaboration with the Department of Social Service of the Y. M. C. A., Bombay.

Similar studies have just been commenced in the Sewri area of the Bombay city.

The data collected in the pravious years on the field studies on Maternal and Child Nutrition have been statistically treated during the period Further collection of data on newer cases, in a local hospital, is also continued.

The study and improvement of diets in Government Hospitals have been one of the main activities of the Department. The recommendations made by the Department for standard diets in general hospitals and special diets for T. B., Mental and Leprosy patients have been accepted by the Government and introduced in the various State Hospitals. In order to ensure that the patients get in full whatever is intended for them, visits for surprise check have been continued to various Government Hospitals, in the State, including Bombay City. These visits have been helpful to the hospital authorities to overcome the practical difficulties experienced by them.

To meet the growing demand for the nutritive value of common food preparations for applied nutrition work, both in the clinic as also in the field, over 100 such preparations have been prepered in the Department and standardised. This is a new approach and more and more scientific information will be made available with the progress of this work.

Two major exhibitions have been arranged during the period. The first one was at the time of the inauguration of the Maharashtra State, especially to depict the progress made in the field of nutrition, with special emphasis on the nutrition services and training of nutrition workers, Later, in connection with the International Food Festival held in Bombay,

artistic exhibits depicting the progress of community nutrition, were displayed. These exhibits, which include a balanced mid-day meal and animated models, received a special price a big silver cup, as a trophy.

There has been a good demand for the publications of the Department, especially the illustrated brochure 'Road to Good Nutrition' and the 'Diet Manual'. To meet these demands, the reprint of the former Third Edition, English and the second edition of the latter, are now in print. The Marathi Edition of the brochure, under the name of POSHAN ANI AHRA, has been released during the year. Following the inauguration of the Maharashtra State, on elegantly prepared booklet entitled 'Nutrition Services in Maharashtra State' was prepared by the Depart ment and published by the Directorate of Publicity.

The UNICEF Skim Milk Distribution Schemes in the State continued to make good progress. The Chief of the Department has been the State Liaision Officer since the very inception; but in view of the increasing responsibilities in the regular Departmental activities, this work has now been entrusted, at his request to Government, to the Director of Public Health, since October 1960.

Scientific and Technical Experts representing various national and international organisations and institutions continued to visit the Department, during the period.

EMPLOYEES' STATE INSURANCE SCHEME (BOMBAY)

"Report regarding the Medical Benefits of Health Insurance Scheme in Bombay" for the period from January 1960 to April 1960.

The Employees' State Insurance Scheme for industrial workers has been implemented on 3rd October 1954 covering Greater Bombay and its adjacent areas up to Borivli on the one side and Ambernath on the other. Workers residing beyond these areas up to Virar and Karjat are also covered. At the end of April 1960, 6,44,812 employees working in about 2,600 factories are covered by the Scheme. The Scheme which is run on an 'insurance basis' provides for the following benefits :—

(*a*) Sickness Cash Benefit,
(*b*) Maternity Benefit,
(*c*) Disablement Benefit,
(*d*) Dependents Benefit,
(*e*) Medical Benefit,

the first four being in cash and the last, *viz.*, "Medical Benefit" being in kind. A worker becomes entitled to the last three benefits with the introduction of the Scheme and to the first two after a lapse of about 9 months from inception. Medical care and treatment to insured persons is provided by the State Government and is comprehensive covering all major aspects of modern medicines and medical needs.

2. *Insurance Medical Practitioners.*—For providing general medical service at the clinics and at workers' homes, there were 1,181 Insurance Medical Practitioners including 215 Ayurvedic and 5 Unani. A worker can get himself registered with a doctor near his house and of his choice to receive medical treatment in the system of his faith. These Insurance Medical Practitioners are practising in different areas of Bombay and even up to Virar and Karjat where the industrial workers are residing. The list of doctors is always increasing as practitioners can join the Scheme any time. Each Insurance Medical Practitioner is allowed to take 1,000 persons on his list and in certain concentrative areas have been allowed to take 2,000 persons also. The attendance of the dispensary is minimum 5 hours per day in two sessions for 1,000 workers on their list and 6 hours for 2,000 workers on their list. The total number of insured persons treated at the clinics of the Insurance Medical Practitioners during the period from January 1960 to April 1960 was 12,22,211.

3. *Hospitalization.*—For indoor treatment of insured workers Government has reserved general, maternity and tuberculosis beds in hospitals. 14 General Hospitals, both Government and private are approved under the Scheme where 440 beds are reserved for the insured workers. The question of reservation of the remaining 111 beds is under consideration of

Government. Five Tuberculosis Hospitals are recognised for tuberculosis patients and 350 beds are allowed for insured persons. Both the insurance medical practitioners and Specialists under the Scheme can get cases admitted to these hospitals. Emergency cases are admitted at any time in these hospitals even in excess of the sanctioned reserved beds. Also waiting lists are maintained by these hospitals for non-emergency cases and patients are admitted when vacancy arises. Costly medicines including Cloromycetine are supplied to the insured persons during their stay in the Hospitals.

The number of insured persons treated in hospitals during the year from January 1960 to April 1960 is as follows :—

General	3,998
T. B.	687

4. *Maternity Hospitals.*—Ante-natal care is provided up to 7 months of pregnancy at the Diagnostic Centres and then by the Hospitals concerned. Domiciliary confinements are provided by the registered midwives engaged by the Insurance Medical Practitioners in charge of the cases.

Arrangements are also made at Maternity Hospitals for confinement of insured women workers for which 15 maternity hospitals are recognised under the Scheme for the purpose. The number of insured women confined in these hospitals during the period under report was 106.

5. *Diagnostic Centres.*—Six Diagnostic Centres have been set up in different parts of Bombay and at Thana for the Laboratory, X-ray and the Specialists' Examination of insured persons. Ten specialists in different specialities are attending each Diagnostic Centre twice a week except the Specialist in Ayurvedic and Radiology who attends four times a week.

During the period under report, 16,041 insured persons attended these centres. Similarly 897 insured persons were screened while 1,890 X-ray plates were taken. Blood Examinations were done in 2,563 cases and Laboratory examinations in 4,829 cases during the above period.

With a view to making available early the services of specialists, Government have sanctioned appointment of 8 full-time Specialists under the Scheme. Six posts of Specialist Medical Officers in Skin Diseases have also been sanctioned. Steps are being taken to fill in these posts. Two Ayurvedic Specialist Medical Officers have been sanctioned to deal with cases referred to by the Insurance Medical Practitioners practising in Indian System of Medicine.

6. *Ambulance Service.*—Seven ambulances have been provided at Diagnostic Centres for conveyance of sick insured persons to hospital. In case of serious emergency, if none of the ambulance is available, the Insurance Medical Practitioners are authorised to provide cheapest available

transport for conveyance of such cases to hospitals and submit bill to the Administrative Medical Officer for reimbursement under Rule 9 (2) of terms of service for Insurance Medical Practitioners.

7. A Tuberculosis Clinic has been established at each Diagnostic Centre, where suspected cases of Tuberculosis are referred for confirmation of diagnosis and advice. The Tuberculosis Specialists advise either domiciliary treatment or hospital treatment for the patient. The incident of tuberculosis is very high amongst insured workers. A proposal for starting refill clinic at each of the Diagnostic Centres is under consideration.

8. *Minor Surgery and Casualty Centres.*—It has been proposed to set up casualty centres at two centres. The casualty centres will serve to take up casualty cases directly from the factory or from the Insurance Medical Practitioners.

9. *Supply of Drugs.*—The insured workers are supplied free of cost all drugs by the Panel Doctors according to the schedule of the supply of drugs on the prescription of the Panel Doctors or Specialists. The number of medicines available to insured persons is 113 Allopathic and 57 Ayurvedic. The payment on costly medicines made by Government up to the end of April 1960 is about 12,17,815. Chemists are appointed under the Scheme in different areas of Bombay and up to Virar and Karjat. 99 such Chemists are working under the Scheme.

Government have sanctioned opening of medical stores at each Diagnostic Centres since some insured persons find difficulty in getting medicines from their Chemists. Three Medical Stores have alreay been established at the following Diagnostic Centres accordingly:—

(1) Diagnostic Centre at Kavarana Building, near Cotton Green Station, Bombay.

(2) Diagnostic Centre at Sarvodaya Charity Trust Building, near Gokhale Road (South), Dadar, Bombay.

(3) Diagnostic Centre at J. J. Hospital, Byculla, Bombay.

10. *Blood Transfusion Service.*—A free Blood Transfusion service has been arranged by the Indian Red Cross Society of Bombay and Poona and other Hospitals for supply of blood to emergency cases admitted in hospitals.

11. *Utilisation of employers' Medical Facilities.*—Arrangements as far as possible are being made to recognise the factory medical facilities of those factories who have asked for recognition. The Tuberculosis Clinic of Tata Industries has been recognised for the workers.

12. *Complaints.*—The total number of complaints received during the period under report was 26.

The cases are investigated by three Medical Inspectors and disposed personally. For enquiry into complaints which are of a more serious nature, Medical Service Committees (Allopathic and Ayurvedic) have been appointed by Government which investigate the cases and make recommendations to the Surgeon General with the Government of Maharashtra, Bombay, as regards action to be taken against the Insurance Medica Practitioner. The Allopathic Committee met 3 times during the period and Ayurvedic Committee met 2 times.

13. *Pharmaceutical Committee.*—The Pharmaceutical Committee consists of 7 members and it deals with questions regarding the increase or decrease of scheduled medicines for the Insurance Medical Practitioners, the packages, dosage and usage and prescribing of drugs by the doctors. The Committee met twice during the year.

14. *Medical Boards.*—Two Medical Boards have been set up to decide the cases of those injuries resulting out of employment injuries sustained by persons for payment of disability benefit.

15. *Allocation Committee.*—Three Allocation Committees—one Allopathic and one Ayurvedic—have been set up to select new doctors for enlisting them under the Scheme. The Committee meets twice a year after the Doctors' applications are called for.

16. *Extension of the Scheme.*—Government have made a provision of a sum of Rs. 92,96,624 on an *ad hoc* basis for extension of the Scheme to families of the insured persons in Bombay and Nagpur and implementation of the Scheme with benefits to families in Ahmedabad. The Corporation has also appointed an *ad hoc* Local Advisory Committee to advise Government and the Corporation on the matters pertaining to the implementation of the Scheme in Ahmedabad.

Financial implications.—The total expenditure incurred during the period on the Employees' State Insurance Scheme in Greater Bombay was Rs. 35,46,475 as detailed below :—

	Rs.
(1) Capitation fees	12,17,814.75
(2) Medicines and Special Drugs and Instruments ..	10,32,936.05
(3) Hospitalization—	
(*a*) General Hospitals	2,12,223.00
(*b*) T. B. Hospitals	1,86,467.00
(*c*) Confinement	7,170.00
(4) Pay of Officers, Establishment, Contingencies, Diagnostic Centres, etc.	8,89,863.79

Three-fourth of the total expenditure incurred on the implementation of the Scheme is borne by the Employees' State Insurance Corporation and the remaining 1/4th by the State Government.

EMPLOYEES' STATE INSURANCE SCHEME
(Bombay)

" Report regarding the Medical Benefits of Health Insurance Scheme in Bombay " for the period from May 1960 to December 1960.

The Employees' State Insurance Scheme for industrial workers has been implemented on 3rd October 1954 covering Greater Bombay and its adjacent areas up to Borivli on the one side and Ambernath on the other. Workers residing beyond these areas up to Virar and Karjat are also covered. At the end of 1960, 660,336 employees working in about 2,600 factories are covered by the Scheme. The Scheme which is run on an 'insurance basis' provides for the following benefits :—

(*a*) Sickness Cash Benefit,

(*b*) Maternity Benefit,

(*c*) Disablement Benefit,

(*d*) Dependents Benefit,

(*e*) Medical Benefit,

the first four being in cash and the last, *viz.*, "Medical Benefit" being in kind. A worker becomes entitled to the last three benefits with the introduction of the Scheme and to the first two after a lapse of about 9 months from inception. Medical care and treatment to insured persons is provided by the State Government and is comprehensive covering all major aspects of modern medicines and medical needs.

2. *Insurance Medical Practitioners.*—For providing general medical service at the clinics and at workers' homes, there were 1,159 Insurance Medical Practitioners including 218 Ayurvedic and 4 Unani. A worker can get himself registered with a doctor near his house and of his choise to receive medical treatment in the system of his faith. These Insurance Medical Practitioners are practising in different areas of Bombay and even up to Virar and Karjat where the industrial workers are residing. The list of doctors is always increasing as practitioners can join the Scheme any time. Each Insurance Medical Practitioner is allowed to take 1,000 persons on his list and in certain concentrative areas have been allowed to take 2,000 persons also. The attendance of the dispensary is minimum 5 hours per day in two sessions for 1,000 workers on their list and 6 hours for 2,000 workers on their list. The total number of insured persons treated at the clinics of the Insurance Medical Practitioners during the period from May 1960 to December 1960 was 526,294.

3. *Hospitalization.*—For indoor treatment of insured workers Government has reserved general, maternity and tuberculosis beds in hospitals. 14 General Hospitals, both Government and private, are approved under the Scheme where 440 beds are reserved for the insured workers. The question of reservation of the remaining 60 beds is under consideration. Five Tuberculosis Hospitals are recognised for tuberculosis patients and 250 beds are allowed for insured persons. Both the Insurance Medical Practitioners and Specialists under the Scheme can get cases admitted to these hospitals. Emergency cases are admitted at any time in these hospitals even in excess of the sanctioned reserved beds. Also waiting lists are maintained by these hospitals for non-emergency cases and patients are admitted when vacancy arises. Costly medicines including Cloromycetine are supplied to the insured persons during their stay in the Hospitals.

The number of insured persons treated in hospitals during the year 1960 for the period from May 1960 to December 1960 is as follows :—

General	.. ..	8,078.
T. B.	.. ..	1,512.

4. *Maternity Hospitals.*—Ante-natal care is provided up to 7 months of pregnancy at the Diagnostic Centres and then by the Hospitals concerned. Domiciliary confinements are provided by the registered midwives engaged by the Insurance Medical Practitioners in charge of the cases.

Arrangements are also made at Maternity Hospitals for confinement of insured women workers for which 15 maternity hospitals are recognised under the Scheme for the purpose. The number of insured women confined in these hospitals during the period under report was 272.

5. *Diagnostic Centres.*—Six Diagnostic Centres have been set up in different parts of Bombay and at Thana for the Laboratory, X-ray and the Specialities Examination of insured persons. Ten specialists in different specialities are attending each Diagnostic Centre twice a week except the Specialist in Radiology who attends four times a week.

During the period under report 205,269 insured persons attened these centres. Similarly, 12,956 insured persons were screened while 22,817 X-ray plates were taken. Blood Examinations were done in 29,865 cases and Laboratory examinations in 57,412 cases during the above period.

With a view to making available early the services of specialists, Government have sanctioned appointment of 8 full-time specialists under the Scheme. Six posts of Specialist Medical Officers in Skin Diseases have also been sanctioned. Steps are being taken to fill in these posts.

Two Ayurvedic Specialist Medical Officers have been sanctioned to deal with cases referred to by the Insurance Medical Practitioners practising in Indian System of Medicine.

6. *Ambulance Service.*—Seven ambulances have been provided at Diagnostic Centres for conveyance of sick insured persons to hospitals. In case of serious emergency, if none of the ambulance is available, the Insurance Medical Practitioners are authorised to provide cheapest available transport for conveyance of such cases to hospitals and submit bill to the Administrative Medical Officer for reimbursement under Rule 9 (2) of terms of services for Insurance Medical Practitioners.

7. A Tuberculosis Clinic has been established at each Diagnostic Centre where suspected cases of Tuberculosis are referred for confirmation of diagnosis and advice. The Tuberculosis Specialists advice either domiciliary treatment or hospital treatment for the patient. The incident of tuberculosis is very high amongst insured workers. A proposal for starting refill clinic at each of the Diagnostic Centres is under consideration.

8. *Minor Surgery and Casualty Centres.*—It has been proposed to set up casualty centres at two centres. The casualty centres will serve to take up casualty centres directly from the factory or from the Insurance Medical Practitioners.

9. *Supply of drugs.*—The insured workers are supplied free of cost all drugs by the Panel Doctors according to the schedule of the supply of drugs on the prescription of the Panel Doctors or Specialists. The number of medicines available to insured persons is 119 Allopathic and 68 Ayurvedic. The payment on costly medicines made by Government from May 1960 to the end of December 1960 is about Rs. 19,88,386. Chemists are appointed under the Scheme in different areas of Bombay and up to Virar and Karjat. 99 such chemists are working under the Scheme.

Government have sanctioned opening of Medical Stores at each Diagnostic Centres since some insured persons find difficulty in getting medicines from their chemists. Three Medical Stores have already been established at the following Diagnostic Centres accordingly :—

(1) Diagnostic Centre at Kavarana Building, near Cotton Green Station, Bombay.

(2) Diagnostic Centre at Sarvodaya Charity Trust Building, near Gokhale Road (South), Dadar, Bombay.

(3) Diagnostic Centre at J. J. Hospital, Byculla, Bombay.

10. *Blood Transfusion Service.*—A free Blood Transfusion Service has been arranged by the Indian Red Cross Society of Bombay and Poona and other hospitals for supply of blood to emergency cases admitted in hospitals.

11. *Utilisation of employers' Medical Facilities.*—Arrangements as far as possible are being made to recognise the factory medical facilities of those factories who have asked for recognition. The Tuberculosis Clinic of Tata Industries has been recognised for the workers.

12. *Complaints.*—The total number of complaints received during the period under report was 155.

The cases are investigated by three Medical Inspectors and disposed personally. For enquiry into complaints which are of a more serious nature, Medical Service Committees (Allopathic and Ayurvedic) have been appointed by Government which investigate the cases and make recommendations to the Surgeon General with the Government of Maharashtra, Bombay, as regards action to be taken against the Insurance Medical Practitioner. The Allopathic Committee met 7 times during the period and Ayurvedic Committee met one time.

13. *Pharmaceutical Committee.*—The Pharmaceutical Committee consists of 7 members and it deals with questions regarding the increase or decrease of scheduled medicines for the Insurance Medical Practitioners the packages, dosage and usage and prescribing of drugs by the doctors. The Committee met twice during the year.

14. *Medical Board.*—Two Medical Boards have been set up to decide the cases of those injuries resulting out of employment injuries sustained by persons for payment of disability benefit.

15. *Allocation Committee.*—Three Allocation Committees—two Allopathic and one Ayurvedic—have been set up to select new doctors for enlisting them under the Scheme. The Committee meets twice a year after the Doctors' applications are called for.

16. *Extension of the Scheme.*—Government have made a provision of a sum of Rs. 92,96,624 on an *ad hoc* basis for extension of the Scheme to families of the insured persons in Bombay and Nagpur and implementation of the Scheme with benefits to families in Ahmedabad. The Corporation has also appointed an *ad hoc* Local Advisory Committee to advise Government and the Corporation on the matters pertaining to the implementation of the Scheme in Ahmedabad.

Financial implications :—

The total expenditure incurred during the period under report on the Employees' State Insurance Scheme in Greater Bombay was Rs. 55,68,928 as detailed below :—

	Rs.
(1) Capitation fees	19,88,386·28
(2) Medicines and special Drugs and Instruments	17,89,495·74
(3) Hospitalisation—	
(*a*) General Hospitals	7,58,231·00
(*b*) T. B. Hospitals	5,33,410·00
(*c*) Confinement	15,488·00
	50,85,011·02
(4) Pay of Officers, Establishment, Contingencies, Diagnostic Centres, etc.	4,83,916·72

Three-fourth of the total expenditure incurred on the implementation of the scheme is borne by the Employees' State Insurance Corporation and the remaining 1/4th by the State Government.

EMPLOYEES' STATE INSURANCE SCHEME, VIDARBHA REGION

Report on the Working of the Employees' State Insurance Scheme Vidarbha Region, for the year ending 31st December, 1960.

1. The Employees' State Insurance Scheme was first implemented in Nagpur City on 11th July, 1954 for industrial workers of the town. The Scheme was further extended to the towns of Akola and Hinganghat on 26-6-1956. The Scheme is based on the Employees' State Insurance Act of 1948.

(i) *Area Covered by the Scheme—*

(1) Nagpur ..	Within the limits of Nagpur Municipal Corporation.
(2) Akola	Within the limits of Municipal Committee, Akola.
(3) Hinganghat ..	Within the limits of Municipal Committee, Hinganghat.

(ii) *Total number of workers getting benefit from the Scheme* :

	Male	Female
(1) Nagpur	29,465	3,419
(2) Akola	2,768	705
(3) Hinganghat	3,154	536

(iii) *Benefit provided in the Scheme*:

Under the Employees' State Insurance Act of 1948 the workers get the following benefits—

(1) Medical Benefit.

(2) Maternity Benefit.

(3) Sickness Cash Benefit.

(4) Disablement Benefit.

(5) Dependents Benefit.

Out of the above Benefit, the first two benefits *i. e.*, Medical and Maternity benefits are provided by Service system through State Insurance Dispensaries established exclusively for the insured person in the implemented areas.

2. Since service system of Medical Benefit is in force in Vidarbha Area, Medical Benefit is given by full-time Insurance Medical Officers and ancillary staff.

3. *Hospitalisation.*—The Scheme has general, maternity and Tuberculosis beds in Hospitals mentioned below for giving Hospital treatment to the insured workers on priority basis. The number of beds in each hospital is given below :—

	Beds
(1) *General*—	
(1) Medical College Hospital, Nagpur	10
(2) Mayo Hospital, Nagpur	10
(3) Mure Memorial Hospital, Nagpur	5
(4) Main Hospital, Akola	5
(5) Municipal Hospital, Hinganghat	6
(6) Bhiwapurkar's Nursing Home, Nagpur	10
(2) *Maternity*—	
(1) Mure Memorial Hospital, Nagpur	5
(2) Daga Memorial Hospital, Nagpur	5
(3) *Tuberculosis*—	
(1) Medical College Hospital, Nagpur	5
(2) T. B. Ward of E. S. I. Scheme, Mayo Hospital, Nagpur (Nagpur 20 beds and Hinganghat 5 beds).	25
(3) T. B. Sanatorium, Buldana (for insured persons of Akola).	5

4. *Maternity Hospitals.*—Anti-natal care is provided at the State Insurance Dispensaries. Domiciliary confinements are conducted by the qualified Midwives of the Scheme.

Arrangements are also made at Female Hospitals for confinement of insured women for whom 10 beds are reserved for the purpose. The number of insured women confined in these hospitals during the year 1960 was 59.

5. *Diagnostic Centres.*—No Diagnostic Centres have been set up under the Scheme. Insured persons of the Scheme are sent to the following Hospitals for Laboratory, X-Ray and Specialists examinations.

(1) Medical College Hospital, Nagpur.
(2) Mayo Hospital, Nagpur.
(3) Government T. B. Clinic, Nagpur.
(4) Main Hospital, Akola.
(5) Main Hospital, Wardha.

During the year under report 1,251 insured persons are X-rayed. Pathological examinations were done in 1,298 cases during the above period.

6. *Ambulance Service.*—One Ambulance has been provided at Nagpur for conveyance of sick persons to Hospitals. At other places free available conveyance is provided to insured persons whenever necessary.

7. *Tuberculosis Clinic.*—Cases of T. B. are referred to T. B. Control Centre of the Medical College Hospital, Nagpur and Government T. B. Clinic Nagpur for diagnosis and advice, while at Akola and Hinganghat the cases are referred to the Main Hospital, Akola and Wardha, respectively.

8. *Minor Surgery and Casualty Centres.*—The Casualty cases are first given first-aid in the factory dispensary and later on in emergency dispensary which is open throughout the day and night.

9. *Supply of drugs.*—The insured workers are supplied free of cost of all drugs in the State Insurance Dispensary according to the Schedule of drugs approved by the Employees' State Insurance Corporation. All the drugs required for the treatment are stored in dispensary store. The drugs are supplied to the dispensaries at Nagpur from the Central Medical Stores established in the State Insurance Dispensary, Jumma Tank.

10. *Blood Transfusion Service.*—Nil.

11. *Utilisation of Employers Medical Facilities.*—Nil.

12. *Complaint.*—The total number of complaints received during the year 1960 was 28.

The cases are investigated by the Administrative Medical Officer and disposed off personally during his visit to the dispensary concerned.

13. *Pharmaceutical Committee.*—Nil.

14. *Medical Board.*—Two Medical Boards have been set up in this region one at Nagpur for insured persons of Nagpur and Hinganghat and another at Akola to decide the cases of these injuries resulting out of employment injuries sustained by persons for payment of disability benefit.

15. *Allocation Committee.*—Nil.

16. *Extension of the Scheme.*—The Medical Benefit of the Employees' State Insurance Scheme has been extended to the families of insured persons of Nagpur from 22-12-60. Three new dispensaries were opened for the extension of the Scheme to families.

17. *Financial Implications.*—The total expenditure incurred during the Calendar yeat 1960 on the Employees' State Insurance Scheme, Nagpur, Akola and Hinganghat was Rs. 3,66,764.

	Rs.
(1) Pay of Officers, Establishment	1,06,276
(2) Medicines and Special drugs and instruments ..	2,13,488
(3) Hospitalisation	47,000
Total ..	3,66,764

Three-fourth of the total expenditure incurred on the implementation of the Scheme is borne by the E. S. I. Corporation and the remaining one-fourth by the State Government.

	Nagpur	Akola	Hinganghat
(1) Total number of Patients treated (New and Old).	341,385	31,502	37,494
(2) Total number of I. P.'s admitted in Hospital for treatment.	1,285	201	61
(3) Total number of I. P.'s sent for examination—			
(i) Specialist Examination ..	4,204	247	334
(ii) Laboratory Examination ..	730	260	207
(iii) X-Ray Examination	816	211	184

(4) Total number of I. P.'s treated for T. B.—			
(i) Treated as O. P. D.	184	24	27
(ii) Admitted in Hospital ..	99	9	13
(5) Total number of Female I. P.'s admitted for Maternity.	58	1	Nil.

Report of the Working of the Bombay Homoeopathic Medical College 1960-61.

1. The Bombay Homoeopathic Medical College, the only one and the first one of its kind, is run by the Bombay Homoeopathic Education Society which is a body established in 1956 under the Societies Registration Act, 1860, and also registered under the Bombay Public Trust Act, 1950. It was started in 1957 with the aim of imparting Homoeopathic Medical education according to the Syllabus prescribed for the Licentiate Course by the Bombay Homoeopathic Act, 1951.

2. The Licentiate Course is of 4 years and the minimum qualifications prescribed for admission is the S. S. C. or the Matriculation with Physics, Chemistry and/or General Science. The annual admissions are limited to 50 for the 1st L. C. E. H. class.

3. During the year, the Society which runs the Institution approached the Central and State Governments for financial aid, both recurring and non-recurring, particularly for the construction of the College buildings. It is gratifying to note that both the Governments have acceeded to our request. The Government of India have sanctioned a capital grant of Rs. 3.75 lakhs for building and Rs. 77,252 as recurring grant. The Government of Maharashtra is expected to give the matching grants as the matter is now under their active consideration.

4. One of the serious handicaps is the absence of adequate space for lecture rooms, laboratories and museums which are an indispensable part of a Medical College. At present, the College is housed in a cramped accommodation provided in a mezanine floors inside the Government Homoeopathic Hospital. The Hospital itself is an old factory building unsuitable for a Hospital much less so for a College. This is, however, a passing phase and we look forward to spacious accommodation in the new college building when it is completed.

5. During the year, the foundation stone of the College Building at Vile Parle was laid (on the 30th October 1960) by President of the Society Shri Mangaldas Pakvasa and the construction work has been in progress since.

6. Dr. A. D. Edal Behram, B.A., M.B.B.S., M. F. Hom. (Lond.), D. C. H. F. (Paris) was the first Principal of the College and was in charge of the College till the end of the year under Report.

7. Fifty new students were admitted in the 1st L. C. E. H. course in June 1960 and in addition 12 more students possessing Inter Science (B. group) and higher qualifications were also admitted in the 2nd L. C. E. H. Class. The total number of students at the end of the year was 219.

8. During the year under report 187 books were added to the Library included 112 books received as donation. The total number of books in the Library at the end of the year is 944 books and 483 Journals (old) both Homoeopathic and allopathic subjects. The College subscribes to Homoeopathic Journals and magazines both foreign and Indian.

9. The College is attached to the Government Homoeopathic Hospital, Sion, for clinical instructions in Homoeopathic medicine and we have working arrangement with the Bombay Municipal Corporation for placing our students for training at the L. T. M. G. Hospital in Modern Medicine Surgery, Gynaecology and Obstetrics. Similar arrangement exists for training in Tuberculosis, Infectious diseases and Vaccination.

10. For the first two years of its existence, the main source of income of the College was the fees from students and the collections from cultural functions specially arranged for raising funds. Donations received from members and sympathisers of Homoeopathy contributed only in a small measure towards our income.

11. In the year under report, we were successful in our negotiations with Governments for grant-in-aid and we received part of the promised grant amounting to Rs. 1,50,000 from the Central Government.

12. Owing to the increase in number of students in the College and the necessity of enlarging the laboratory equipment and other facilities, the working of the College has resulted in a deficit, which we look forward to Government of Maharashtra to bridge.

13. *Future.*—Since the receipt of financial help from the Centre as well as the State Governments, stability has been assured to the Colleges. Our difficulties, however, will not end. One of the most essential requirements of a Medical College is a well-equipped Hospital located in the

City proper as we are at present, this difficulty was not so keenly felt as it would be when we move out in the suburb. We have no Homoeopathic Hospital of our own and the existing one at Sion will be miles apart unless it is shifted to the new premises at Vile Parle. We naturally expect the Government of Maharashtra to help us with the establishment of a Homoeopathic Hospital attached to Our College. Negotiations are apace with the Government on this subject and we are informed that the Surgeon General has already moved in the matter.

14. The other relevant data of the College is furnished in the attached appendices marked "A" to "F".

APPENDIX A

Distribution of Beds

HOSPITALS

1. Government Homoeopathic Hospital, Sion.
2. L. T. M. G. Hospital, Sion.

Name of the Department (1)	Name of the Hospital (2)	Total No. of Beds allotted (3)
Medicine (Homoeo)	Government Homoeopathic Hospital	35
Medicine (Modern)	L. T. M. G. Hospital	300
	L. T. M. G. Hospital	
	L. T. M. G. Hospital	

N.B.—Arrangement has been made with the Bombay Municipal Corporation to train our College Students in Tuberculosis, Infectious Diseases and in Vaccination at the appropriate Municipal Institution.

Classes I & II.—This includes all institutions maintained by provincial funds and under Government management. The fact that an institution possesses endowments or receives contributions from local funds or private subscriptions has not been regarded as reason for not classing it as "State" when Provincial and Imperial funds are practically responsible for all the charges connected with it. Class I.—Public and State Dispensaries which are open to the poor class of the public. Class II are State Departments which serve only a special section of the public as indicated in the sub-classification attached.

Class III.—Local Fund Dispensaries include all institutions which are vested in Local Boards or Municipalities or guaranteed or maintained by local or municipal funds. The fact that such an institution is aided by private subscriptions or receives assistance from Government in the shape of part of the salary of the medical officer, grants medicine, or otherwise, has not been regarded as a reason for not classing it as a local fund dispensary, when its existence practically depends upon local funds.

Class IV.—Comprises institutions supported by private subscriptions or guaranteed but receiving aid from Government or local funds.

Class V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers has not been regarded as a reason for not treating it as a private non-aided dispensary.

Class VI.—Comprises all railway dispensaries whether maintained by State Railways or others.

Class VII.—Comprises all subsidised dispensaries opened under the "Rural Medical Relief Scheme".

Classes I & II.—This includes all institutions maintained by provincial funds and under Government management. The fact that an institution possesses endowments or receives contributions from local funds or private subscriptions has not been regarded as reason for not classing it as "State" when provincial and imperial funds are practically responsible for all the charges connected with it. Class I.—Public and State Dispensaries which are open to the poor class of the public. Class II are State Departments which serve only a special section of the public as indicated in the sub-classification attached.

Class III Local Fund Dispensaries include all institutions which are vested in local boards or municipalities or guaranteed or maintained by local or municipal funds. The fact that such an institution is aided by private subscriptions or receives assistance from Government in the shape of part of the salary of the medical officer, grants medicine, or otherwise, has not been regarded as a reason for not classing it as a local fund dispensary, when its existence practically depends upon local funds.

Class IV.—Comprises institutions supported by private subscriptions or guaranteed but receiving aid from Government or local funds.

Class V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers has not been regarded as a reason for not treating it as a private non-aided dispensary.

Class VI.—Comprises all railway dispensaries whether maintained by State Railways or others.

Class VII.—Comprises all subsidised dispensaries opened under the "Rural Medical Relief Scheme".
